A MESSAGE FROM THE PRESIDENT

Greetings!

I am delighted that you have chosen College of the Mainland to serve your educational needs. With the economy in its present state this is the best time to prepare yourself for the future. College of the Mainland offers a variety of programs that lead to careers in Nursing, Law Enforcement, Cosmetology and many more. You can also develop skills and gain certification in Welding, Real Estate and Process Technology. Whatever your career choice, College of the Mainland wants to serve you. We are committed to your success.

The passing of each day brings with it increasing workforce requirements and in order for our students to compete in this global society, students must have a high school education. Three-fourth of the jobs available in the future will require educational credentials beyond high school. Our Collegiate High School and Dual credit programs can accelerate the completion of your studies and reduce your educational expenses.

College of the Mainland's excellent faculty and staff are eager to assist you in achieving your educational and career goals. Our focus is on teaching, learning and student success. Thanks again for choosing College of the Mainland to help prepare you for a changing world.

Yours truly,

Michael A. Elam, Ed.D.
President

DISCRIMINATION STATEMENT

College of the Mainland is an affirmative action/equal opportunity institution and does not discriminate on the basis of race, color, sex, age, national origin, religion, handicap or Vietnam veteran status.

College of the Mainland does not discriminate on the basis of disability in the recruitment and admission of students, the recruitment and employment of faculty and staff, and the operation of its programs and activities, as specified by federal laws and regulations within Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990 and 1992.

College of the Mainland is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools (1866 Southern Lane, Decatur, Georgia 30033-4097; 404-679-4501) to award associate degrees and certificates.

Applicability of Catalog Regulations

This catalog is for information purposes and does not constitute a contract. This catalog expires and cannot be used for graduation after five years.

A student may receive a certificate or degree from COM in accordance with the requirements stated in the catalog in effect at the time he/she enters COM or those catalogs of any subsequent years. The requirements must be completed within five years of the beginning date of the catalog selected. A minimum of three semester hours must be completed during the academic year the selected catalog was in effect. Degree and certificate requirements must be from one catalog, which begins in the fall semester and runs through the end of summer school of the next calendar year. All regulations and conditions other than those stated above are subject to change. These changes may supersede catalog regulations. The electronic version of the catalog found on the College of the Mainland web site is the official catalog. Please refer to the catalog on the COM web site for changes/updates.

STATEMENT OF VISION AND PURPOSE

Mission

College of the Mainland is a learning-centered, comprehensive community college dedicated to student success and the intellectual and economic prosperity of the diverse communities we serve.

Vision

College of the Mainland will be a valued and vital community partner by striving to enrich our expanding community and preparing our students to learn, work, and live in a diverse, dynamic, and global environment.

Values

- Student Success and Academic Excellence
- Continuous Improvement and Accountability
- Mutual Respect, Civility, and Integrity
- Diversity and Inclusiveness
- Innovation and Adaptability
- Campus and Community Collaboration

2008-2012 INSTITUTIONAL GOALS

1. Increase enrollment and improve students' attainment of their educational goals.
2. Implement and utilize viable evaluation systems that improve employee performance and demonstrate accountability.
3. Increase under-represented populations and the diversity of our students and employees to reflect our service area.
4. Exemplify an open and friendly environment that will increase mutual respect, civility, and integrity among students, staff, faculty and administrators.
5. Increase community and campus collaboration in order to maximize communication and institutional effectiveness.
6. Use innovation and adaptability to better serve the educational needs of our campus and community.

HISTORY

College of the Mainland was a beckoning vision in the minds of community leaders as far back as the early 1960s. The first concrete step was taken in October 1966 when the College of the Mainland Junior College District was formed. The area of the College District encompasses 237 square miles and its boundaries are coterminous with the five independent school districts of Dickinson, Hitchcock, La Marque, Santa Fe and Texas City.

The second step toward realization of the "impossible dream" was taken on December 10, 1966, when the voters of the College District approved a bond issue of \$2,850,000 and supporting taxes for debt service and operation. In quick succession, the Board of Trustees selected a president, hired faculty members and staff, located temporary facilities and College of the Mainland came into existence. The first class of 414 students enrolled for classes in September 1967.

Students attended classes in temporary quarters until the first phase of construction was completed on 120 acres bounded by Palmer Highway and Amburn Road in Texas City. On February 27, 1970, the college moved to its beautiful new campus that consisted of an Administration Building, Learning Resources Center, Math-Science Building, Technical-Vocational Building and a Central Utilities Building.

On May 16, 1970, the citizens of the Junior College District approved a second bond issue of \$4,750,000 and supporting taxes for operation and debt service of the second phase of construction. The second building program included a Fine Arts Building, a Physical Education Complex, a Student Center, an increase of 100 percent in the Technical-Vocational facilities and 60 percent expansion of the Math-Science facilities. The second construction phase was completed in September of 1972, followed by a print shop building and a firing range.

A 20,000-foot addition to the Technical-Vocational Building was completed in the fall of 1985. The expansion houses computer labs, classrooms, offices and a Child Development Lab designed as a training ground for students enrolled in the Child Development Program.

In 1991, two Industrial Education Buildings were completed to house the Auto Mechanics Technology and Diesel Mechanics Technology Programs. The well-equipped facilities added 25,335 square feet of building space to the campus, for a grand total of 300,745 square feet.

In 1999, a new 10,800 square foot Public Service Careers Building was opened across the esplanade from the Fine Arts Building. The new facility houses faculty offices, classrooms and labs for three major public service career fields—law enforcement, emergency medical services, pharmacy technician and fire protection.

In 2003, the College opened a 7,500-square foot Learning Center in League City to address the growing education and training needs of COM's North Galveston County service area. The Learning Center offers college credit as well as continuing education classes.

BOARD OF TRUSTEES

The seven-member Board of Trustees holds full legal and financial responsibility for the college. It is empowered to formulate policy and philosophy, employ a President and, on the President's recommendation, approve the hiring of personnel.

Trustees are elected by the residents of the College District to serve six-year terms. The current trustees

are: Don Criss, Ralph E. Holm, Annette Jenkins, Rosalie Kettler, Bennie Matthews, Clemon P. Prevost and N. E. "Nick" Stepchinski.

Monthly meetings are held in the Board Room of the Administration Building. The meetings are posted on campus and local newspapers. The general public is cordially invited to attend.

PUBLIC INFORMATION STATEMENT

College of the Mainland offers academic, occupational and technical programs published in the current college catalog. Admission to these programs is based on graduation from an accredited high school, a GED certificate or individual approval. (See Admission Procedures starting on page 15.)

College of the Mainland is an affirmative action/equal opportunity institution and does not discriminate on the basis of race, color, sex, age, national origin, religion, handicap or Vietnam veteran status.

College of the Mainland will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information about your rights or grievance procedures, contact the Vice President for Student Services, 1200 Amburn Road, Texas City, Texas 77591, 409-938-1211, ext. 619.

DECLARACION DE INFORMACION PUBLICA

El College of the Mainland ofrece programas vocacionales y académicos publicados en el presente catálogo. La admisión a estos programas se efectúa a base de la graduación de una escuela secundaria acreditada o por medio de un certificado de GED o aprobación individual.

Es la política del College of the Mainland no discriminar a base de sexo, desventaja física, raza, color, edad u origen nacional en sus programas educativos y vocacionales, ni en las actividades y el empleo, de acuerdo con los requisitos del Título IX, Sección 504, y del Título VI.

El College of the Mainland tomará medidas para asegurar que el desconocimiento del idioma inglés no

sea obstáculo a la admisión y participación en todos los programas educativos y vocacionales.

Para información sobre sus derechos o los procedimientos para presentar quejas, comuníquese con el Decano, 1200 Amburn Road, Texas City, Texas 77591, 409-938-1211, ext. 619.

THE GUARANTEE PLAN

Students who complete the Associate of Applied Science and Certificate Programs are guaranteed they will acquire the job skills needed for entry-level employment in the occupational field for which they have been trained.

If the employer decides a student who has completed the program lacks these skills, College of the Mainland will provide additional skill training tuition-free.

In order to be eligible for the Guarantee Plan, the following conditions must be met:

1. Students must earn their degrees or certificates in an occupational program listed in a COM catalog published in the last five years.
2. Students must complete their program within five years, with the majority of the credits to be earned at COM.
3. Students must be employed full time in an occupation directly related to the specific program completed at COM.
4. Employers must certify in writing that a COM graduate lacks the entry-level job skills identified as such by the College for the program in which he/she was enrolled. The employer must specify the areas of deficiency within 90 days of the graduate's initial employment.
5. An educational plan for retraining will be written. The plan will be initiated through the office of the President.
6. The guarantee does not imply that COM graduates will pass any licensing or qualifying examination for a particular career.

Additional information regarding the Guarantee Plan may be obtained by calling 409-938-1211, or 1-888-258-8859, ext. 229.

What is Achieving the Dream (AtD)?

We're part of a national initiative to help more community college students succeed, particularly low-income students and students of color. These students come to us with high hopes, but too many leave without earning a certificate or degree or transferring to another institution to continue their studies. We want to learn what we can do as an institution to change this trend.

The primary strategies for years one and two include:

- ❖ A comprehensive restructuring of the student advisement system;
- ❖ The development and implementation of a First Year Experience course; and
- ❖ Professional development for faculty and staff on topics such as preferred learning styles, cultural influences on learning and the effects of generational poverty.

AtD funding, provided by the Houston Endowment, includes \$50,000 planning grant and \$400,000 implementation money to be spent over four years.

To learn more, check out the COM Achieving the Dream website at www.com.edultd.
