

## **General Education Assessment 2008-2009**

General education assessment at College of the Mainland continued during the 2008-2009 academic year.

- Assessment of general education at the course level continued. Feedback on assessment results was provided to each general education department by the Director of General Education and by members of the General Education Assessment Committee.
- Assessment Chart Feedback Form was developed and piloted to facilitate uniform review of all course level assessment charts.
- Members of the General Education Assessment Committee made a presentation entitled, "From the Ground Up: Establishing an Integrated Process to Assess All Levels of the General Education Curriculum" at the Texas A&M University Assessment Conference in February 2009.
- General Education data was used in the Quality Enhancement Plan topic selection process.
- A presentation proposal submitted by the General Education Assessment Committee was accepted by SACS for the 2009 conference.
