TEXAS RESKILLING GRANT

College of the Mainland is proud to receive a Texas Reskilling Support Fund grant from the Texas Higher Education Coordinating Board. This grant provides financial aid for students affected by COVID-19 who would like to earn an Occupational Skills Award, return to finish their program, earn the next level of credential, or who are displaced workers needing new training. Funds are available for eight programs that all lead to in-demand careers.

Qualifying Texas residents may receive funding starting at \$500 but not exceed \$2,500, for any eligible student per semester. Full-time and part-time students may be eligible on a need-based basis. Please complete the application below to check your eligibility for the funds. Funding is limited to tuition and fees.

VISIT

CONTINUING EDUCATION
OFFICE HOURS
Monday - Friday 8 a.m. - 7 p.m.

The Continuing Education Office is located in the Technical Vocational Building, Room TVB 1475. Tuition and fees must be paid upon registration. Checks, money orders, credit and debit cards are accepted at the office. **No cash or American Express is accepted.**

PAYMENT OF FEES AND TUITION

All tuition and fees must be paid at the time of registration. We accept check, VISA, MasterCard, Discover and money orders.

No cash or American Express is accepted. See page 3 for financial assistance.

⊕ 50 PLUS (AGE 50 AND OVER DISCOUNT)

Students, age 50 or older, pay just 50 percent of the tuition on selected classes, plus all fees (facility, nonresident, online, supplies, etc.). Look for the ⊕ symbol next to courses in this catalog.

A NONRESIDENT OF COM DISTRICT

A nonresident of the College of the Mainland district is subject to out-of-district fees. To be a legal resident of the COM district, you must reside in one of the following school districts: La Marque, Texas City, Dickinson (including San Leon and Bacliff but not including Seabrook or Kemah), Hitchcock and Santa Fe (including Algoa, Arcadia and Alta Loma).

BOOKS AND SUPPLIES

If books and supplies are required, they are not included in the tuition cost unless indicated in the course description. Some courses require the purchase of special books or equipment. Some courses require a supply fee payable at the first class, or a supply list will be provided. Books and supplies are usually available at the COM Bookstore or by ordering online at www.combookstore.com.

CLASS CANCELLATIONS

Classes with insufficient enrollment are canceled before the start of the class. Students will be called when a class is canceled; however, occasionally we are unable to reach a student before the first class. A 100 percent refund will be processed automatically. Help avoid class cancellations by registering at least five days prior to the course start date.

REFUND POLICY

Refunds for fitness memberships and continuing education tuition and fees will be 100 percent refunded before the first day of class. Refund requests may be made in person, by phone (409-933-8586) or by fax (409-933-8026). Refund requests must be received during normal business hours at least one business day prior to the calendar start date of the class.

CLASS TRANSFERS

Students may request to transfer to a different class or section prior to the first class of the course for which the student is registered. One hundred percent of tuition already paid will be applied to the new course(s). Any additional tuition that is due must be paid when the transfer is processed.

MINIMUM AGE REQUIREMENTS

Any adult 18 years of age or older, or an individual between the ages of 16 and 18 who has officially withdrawn from high school, is eligible to enroll in CE courses. Select courses may require students to be at least 21 years old. High school students, 16 years of age or older, are permitted to enroll under the COM concurrent enrollment policy with approval from appropriate public school officials. Students who are 13-15 years old may be given permission to enroll in CE courses that are not funded by the state, provided that a legal guardian enrolls in the same class and attends all classes with the student.

AUDITING

Continuing Education classes may not be audited.

RECORD OF ACHIEVEMENT: CEUS

Continuing Education Units (CEUs) are nationally recognized to record satisfactory completion of certain approved occupation-related programs. One CEU is awarded for every 10 contact hours of instruction included in a specified continuing education class or activity. Successful completion is attendance-based unless otherwise noted. Ninety percent attendance is required for successful completion of most classes. Some classes require 100 percent attendance. A COM Continuing Education Program CEU transcript may be requested from the registrar's office at no charge. Reprints of CE certificates are available for \$5.

FINANCIAL ASSISTANCE**ADULT EDUCATION AND LITERACY (AEL) GRANT**

Adult education and literacy programs funded by the Texas Workforce Commission (TWC) provide English language, math, reading, and writing instruction to help students acquire the skills needed to succeed in the workforce, earn a high school equivalency, or enter college or career training.

CARES ACT II GRANT**CARES Emergency Aid**

These funds are a part of the Higher Education Emergency Relief Fund, a federal grant funded by the Coronavirus Aid, Relief, and Economic Security (CARES) Act and are available to students currently enrolled at College of the Mainland. Federal funds are limited and not guaranteed.

Eligibility & Requirements

- Currently enrolled in credit or eligible continuing education classes at COM
- Demonstrated financial need; such as Medicaid, Supplemental Security Income (SSI), SNAP, WIC or reduced lunch benefits

Students that have previously been awarded CARES Act Funds are eligible to receive funds each semester that they are enrolled if funds are available.

Learn more about "Continuing Education Grants" at <https://www.com.edu/financial-aid/grants/ce-grants.html>

HAZLEWOOD ACT/LEGACY PROGRAM

College of the Mainland may waive tuition and some fees for Texas veterans, and their spouses and eligible children, who are no longer eligible under VA education benefits, were honorably discharged from the military after serving at least 180 days, entered the service with Texas as their home of record and have resided in Texas for at least 12 months prior to their registration date. Application procedures are as follows: The veteran/eligible spouse or child must provide proof of eligibility or ineligibility for GI/Montgomery benefits (Chapter 31, 33/Post 911) by request-

ing an education benefits letter from the VA office in Muskogee, Oklahoma, at 888-442-4551 or www.gibill.va.gov, provide a copy of the DD-214 and submit the appropriate Hazlewood Application (HE-V) and/or (HE-D) and required documentation to the Student Financial Aid/Veteran Affairs Office. Visit www.com.edu and select Student Financial Services for more information, or call the Student Financial Services/Veteran Affairs Office at 409-933-8274 or 1-888-258-8859, ext. 8274.

HEALTH PROFESSION OPPORTUNITY GRANT (HPOG)

The Health Career Pathways Partnership Grant provides tuition-free training to low-income* individuals for select health occupation courses/programs. Therefore, you could qualify for free training in a healthcare career, depending on your income.

TEXAS PUBLIC EDUCATION GRANTS

Grants are available, based on need, to individuals who want to take occupation-related courses. Grants may be used for tuition only. TPEG-eligible programs are identified on page 5. Applications for TPEG assistance should be submitted at least two weeks before the class start date. Applicants must complete the FAFSA, the COM Financial Aid Application and the TPEG Noncredit Application. Contact the Continuing Education Office at 409-933-8586 for more information.

TEXAS RESKILLING GRANT

The Texas Reskilling Grant provides financial aid for students affected by COVID-19 who would like to earn an Occupational Skills Award, return to finish their program, attain the next level of credential, or displaced workers needing new training. Funds are available for eight programs that all lead to in-demand careers. Below is a list of available programs that fall under the Texas Reskilling Grant.

WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)

College of the Mainland is an approved vendor of the Gulf Coast Workforce Development Board and Houston-Galveston Area Council to provide vocational training for eligible participants in workforce programs under the federally funded Workforce Investment Act (WIA). Participants qualifying for programs funded under WIA receive free tuition, fees, books and possibly uniforms, tools and financial assistance with transportation and child care. Applicants may apply for services under the WIA through their local Gulf Coast Careers office. Currently approved programs include CNC Machinist, HVAC, Industrial Pipefitting, Manual Machinist, Mechanical Maintenance Technician, Welding, Electrical, and Instrumentation Programs. For more information on WIA, please call 409-933-8586.

GENERAL INFORMATION

COLLEGE CALENDAR

In accordance with the approved College calendar, the college will be closed on September 6, November 25-28, and December 13-January 2, 2022.

PHOTO AND VIDEO POLICY

COM's Marketing and Communications Department takes photographs (still and video) of students throughout the year. These photographs and videos often include students in classrooms, study areas, at events, etc. COM reserves the right to use these photographs and video as a part of its publicity and marketing efforts. Students who enroll at COM do so with the understanding that these photographs and videos might be used in College publications, both printed and electronic, for recruiting and advertising purposes.

PARKING

Parking permits are mandatory. Parking permits are available in the COM Gym, building 4, at no cost. Parking permits are required to be displayed on the rear window, lower left side. Students will fill out a brief application and will need their vehicle license plate number(s) and VIN # (vehicle identification number). To expedite the process of obtaining a parking permit, students should visit WebAdvisor and enter their vehicle information before going to the gym. Students will need to provide the gym staff with only their student ID number and will then be issued a parking permit.

1. No parking in a "no parking zone"
2. No parking against traffic or backing into a parking space in parking lots (A), (B), and (C)
3. Must park within marked spaces
4. No driving against the flow of traffic
5. No unauthorized parking in handicap spaces
6. No driving/parking on non-roadways (i.e., sidewalks and grass)

TOBACCO-FREE ENVIRONMENT

All College of the Mainland campuses are tobacco-free facilities. In addition, COM has a zero-tolerance policy for alcohol on campus.

STUDENT RECORD PRIVACY POLICY

College of the Mainland complies with the provisions of the Family Educational Rights and Privacy Act (Buckley Amendment of 1974, Public Law 90-247, as amended) and any regulations that may be promulgated therein. The College permits a student to inspect his or her own records and limits disclosure to others if a student has not granted access by prior written consent. No student record, demographics or schedule information will be shared with anyone over the phone or to any third party.

ABBREVIATIONS USED IN THIS SCHEDULE

ADM Administration and Enrollment Center

AHC	Allied Health Center-League City
IND	Industrial Education Building (formerly AUD building)

TBA	To Be Announced
TVB	Technical-Vocational Building
WIOA	Workforce Innovation and Opportunity Act

INTERNET OR HYBRID CLASSES

Students enrolling in Internet (IN) courses will be charged a \$35 distance education fee per course; students enrolling in hybrid (HY) courses will be charged a \$25 distance education fee per course. All students enrolled in Internet or hybrid classes for the first time are required to successfully complete the Online Learner Workshop.

COM ALERT

College of the Mainland uses a rapid notification system called COM Alert to send text, voice and/or email messages for unscheduled school closings and other emergencies. Student and employee contact information provided during registration is automatically loaded into the system and updated every night. Because of this, students are encouraged to provide a cellphone number as their primary contact phone number. Individuals may update their default contact information through the office where they registered for classes.

In addition to the automated process, anyone including non-student family and community members may create a COM Alert account by visiting <https://comalert.bbcportal.com/> This type of account is managed independently from the automatic uploads and allows for multiple contact phone numbers to be provided.

TAX CREDIT

Continuing education tuition is not the same as credit tuition and cannot be reported on a 1098T form. The IRS does allow a tax

credit for tuition, fees and books for CE courses relating to workforce training and improving job skills but does not allow the credit for hobby and other general lifelong-learning courses. To claim the credit on your taxes, save a copy of your registration and bookstore receipts and complete IRS form 8863 with your tax return.

CAMPUS CARRY

As of August 1, 2017, Texas community colleges are required to comply with Senate Bill 11, commonly known as the “campus carry” bill. Individuals holding a license to carry (LTC), formerly concealed handgun license, will have the legal right to carry a concealed handgun onto community college campuses; however, openly carrying a firearm on a college campus is illegal. Please take note that storing handguns in personal vehicles on campus is allowed.

A license holder may carry a concealed handgun on or about their person while on College District property or in any buildings or properties owned, leased, or rented by the College District except in areas that have been deemed gun free zones under this policy. For further information about gun free zone locations, Campus Carry policy, and campus safety, please see the following link, <http://www.com.edu/campus-safety-and-security>. A video addressing Campus Carry and weapons guidelines can be found on COM’s home page at www.com.edu.

This policy applies to faculty, staff, students, visitors, and individuals and organizations doing business on behalf of the College District or while on the College District premises or properties owned, leased, or rented by College District. In accordance with law, this policy shall not apply to commissioned peace officers.

BACTERIAL MENINGITIS VACCINATION REQUIREMENT

CE students younger than 22 years old will be required to show proof of having the bacterial meningitis vaccine if they are enrolling in CE courses or programs with 360 hours or more. Proof of the vaccination must be provided to the Office of Admissions 10 days before the first day of class.

Visit www.com.edu/admissions/meningitis-vaccinations.php or go by the Enrollment Center or Continuing Education Office for more information.

FINANCIAL AID INFORMATION

See page 3 for more information about possible financial aid sources.

**REGISTRATION FOR FALL 2021
BEGINS AUGUST 12, 2021**

A Word About Waiting to Register...

Each class has a minimum enrollment. Once that minimum is reached, the class has "made." Find a class you like, and encourage a friend to join you! Sometimes two or three people can make a difference between having a course "make" or be canceled.

WORKFORCE PROGRAMS

MASSAGE THERAPY

MASSAGE THERAPIST

Call 409-933-8114 for details.

Complete the required 500 clock hours mandated by the Texas Department of Licensing and Registration (TDLR) to prepare to enter the health care service industry in one year through our hands-on labs and classes. Massage therapists manipulate the soft tissue of one's body by hand or through a mechanical or electrical apparatus for therapeutic purposes. Upon completing the program and clock hours, you will take the Texas State Board Exam for licensure. A licensed massage therapist works in an array of settings, such as spas, franchised clinics, physicians' offices, hotels, cruise ships and fitness centers. Some massage therapists also travel to clients' homes or offices to give a massage. Employment of massage therapists is projected to grow 26 percent from 2016 to 2026, much faster than the average for all occupations. The mean hourly wage is \$19.23 per hour. (Source: Bureau of Labor Statistics) Financial Aid is available through COM Student Financial Services. Students under the age of 22 must show proof of having a Bacterial Meningitis vaccine.

Notice to Students Regarding Licensing
 Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: <https://www.tdlr.texas.gov/mas/mas.htm>

Should you wish to request a review of the impact of criminal history on your potential Massage Therapy Certificate prior to or during your quest for a certificate, you can visit this link and request a "Criminal History Evaluation": <https://www.tdlr.texas.gov/misc/evaluation/MAS-Therapist-or-Instructor.pdf>. **To be eligible for licensure, you must successfully pass a criminal history background check which includes fingerprinting.**

House Bill 2059, which passed during the 86th Legislative Session, requires certain health care practitioners who provide direct client care to complete a Health and Human Services Commission (HHSC)-approved human trafficking prevention training course in order to renew their license. **Beginning September 1, 2020, licensees must comply with the training requirement each time they renew.** For more information, please visit TDLR's Human Trafficking Prevention Training for Health Care Practitioners web page. <https://www.tdlr.texas.gov/humantraffickingtraining.htm>

Course #	Title	Hrs
MSSG 1013	Anatomy and Physiology for Massage This course will provide an in-depth coverage of the structure and function of the human body, including cell structure and function, tissues, body organization, and the integumentary, skeletal, muscular, nervous, and endocrine systems. Content will emphasize homeostasis/wellness care. This course meets the minimum 75-contact-hour requirement for Anatomy and Physiology for licensure. Co-requisite: MSSG 1009	75
MSSG 1009	Health and Hygiene Students will study safety and sanitation practices including universal precautions. Students will also learn the importance of proper body mechanics, maintaining a healthy lifestyle, maintaining the massage environment, and the advantage of therapeutic relationships. Co-requisite: MSSG 1013	20
MSSG 1011	Massage Therapy Fundamentals I This course will introduce the theory and the application of skills necessary to perform basic massage skills. Students will demonstrate proficiency in the skills necessary to perform basic massage skills within the rules and regulations set by TDLR. Pre-requisite: MSSG 1013, MSSG 1009. Co-requisite: MSSG 1009, MSSG 1013.	96
MSSG 2013	Kinesiology for Massage This course is an applied study of human kinesiology. Muscle movements and dysfunctions will be discussed and palpated. Theory and practice of functional muscle testing will also be discussed.	64

Pre-requisite: MSSG 1013, MSSG 1009; MSSG 1011; Co-requisite: MSSG 2014

MSSG 2014	Pathology for Massage This course is a general discussion of pathologies as they relate to massage therapy and includes universal precautions and their management in professional practice. Etiology, signs, symptoms, and the physiological and psychological reactions to disease and injury will also be discussed. Pre-requisite: MSSG 1013, MSSG 1009; MSSG 1011; Co-requisite: MSSG 2013	48
MSSG 2011	Massage Therapy Fundamentals II This course will introduce the theory and the application of skills necessary to perform basic massage skills. Students will demonstrate proficiency in the skills necessary to perform basic massage skills within the rules and regulations set by TDLR. Pre-requisite: MSSG 1013, MSSG 1009, MSSG 1011, MSSG 2013, MSSG 2014; Co-requisite 1005	112
MSSG 1005	Hydrotherapy/Therapeutic Modalities Students will learn the use of accepted hydrotherapy and holistic healthcare modalities of external application of temperature for its reflexive effect. Pre-requisite: MSSG 1013, MSSG 1009, MSSG 1011, MSSG 2013, MSSG 2014; Co-requisite MSSG 2011	32
MSSG 1007	Business Practices & Professional Ethics The course is the study of physical and financial office practices and marketing. A discussion of ethical practices for massage therapists as established by law or regulatory agency will also be discussed. Pre-requisite: MSSG 1013, MSSG 1009, MSSG 1011, MSSG 2013, MSSG 2014, MSSG 2011, MSSG 1005; Co-requisite MSSG 2086	48
MSSG 2086	Massage Therapy Internship This course is a work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. A learning plan is developed by the college and the employer. Pre-requisite: MSSG 1013, MSSG 1009, MSSG 1011, MSSG 2013, MSSG 2014, MSSG 2011, MSSG 1005; Co-requisite MSSG 1007	50

ALLIED HEALTH CAREERS

Allied health classes are offered at the Texas City main campus as well as the COM Learning Center-North County at 200 Parker Ct. on FM 518 in League City. Applications for allied health certificate programs are only available online at www.com.edu/allied-health. Students will be charged an additional \$25 fee for each hybrid course and a \$35 fee for each Internet course.

CERTIFIED NURSE AIDE
 An approved application is required prior to registration.
 Email CEAlliedhealth@com.edu for details and approval.

A vital part of the health care field, certified nurse aides provide compassionate basic care for patients. This program trains nurse aides in classes and clinicals to work in hospitals and long-term care facilities. The average hourly wage for certified nurse aides is \$11.80. Between 2014-2024, the need for certified nurse aides is projected to grow by 17 percent. (Source: Bureau of Labor Statistics) Students will be charged an additional \$25 fee for each hybrid course.

Notice to Students Regarding Licensing
 Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: <https://hhs.texas.gov/doing-business-hhs/licensing-credentialing-regulation>

Should you wish to request a review of the impact of criminal history on your potential licensure prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation": <https://records.txdps.state.tx.us/DpsWebsite/CriminalHistory/> and compare it to the requirements for CNA's here: <https://hhs.texas.gov/doing-business-hhs/licensing-credentialing-regulation>

This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

DENTAL ASSISTANT Occupational Skills Award

An approved application is required prior to registration.
 Email CEAlliedhealth@com.edu for details and approval.

Through hands-on labs and classes, this program trains students to work as dental assistants, a rapidly growing branch of the health care field. Dental assistants perform a variety of tasks in dental offices, from patient care to record keeping. The average hourly wage for dental assistant is \$16.95. Between 2014-2024, the need for dental assistants is projected to grow 18 percent. (Source: Bureau of Labor Statistics)

Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. NOTE: Criminal history checks are required for clinical experience purposes.

Should you wish to request a review of the impact of criminal history on your potential licensure prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation": <https://records.txdps.state.tx.us/DpsWebsite/CriminalHistory/>

This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Course #	Title	Hrs
DNTA 1015	Dental Chairside Assisting This course will cover pre-clinical chairside assisting procedures, instrumentation and OSHA and other regulatory agencies' standards. Students will practice equipment safety, select armamentarium for introductory dental skills, implement infection and hazard control protocol, perform equipment maintenance, and demonstrate specific pre-clinical chairside assisting procedures.	70
DNTA 1003	Registered Dental Assisting Exam Review This course prepares dental assistants to meet Texas State Board of Dental Examiners examination requirements. It includes a review of radiology, infection control and jurisprudence. This course prepares the student to take the state of Texas Registered Dental Assistant Exam.	16
TOTAL HOURS		86

State certification: Students successfully completing these courses will be prepared to take the Texas Registered Dental Assistant Exam. There are also external lab experiences which will take place on (6) Saturdays from 9am-1pm at a local dental office (offsite) and will be scheduled by the instructor on the first day of class.

DENTAL CHAIRSIDE ASSISTING – 82HRS

This course will cover the pre-clinical chairside assisting procedures, instrumentation, OSHA and other regulatory agencies standards. Students will select armamentarium for introductory dental skills, implement infection and hazard control protocol, practice equipment safety, perform equipment maintenance, and demonstrate specific pre-clinical chairside assisting procedures. Students must concurrently enroll in SYN: 2640-DNTA-1003-150HY & SYN: 2821-DNTA-1060-150CL. Tuition includes malpractice insurance fee (\$16). Training includes CPR training, lab experience and industry recommended Professional Skills training. The lab experiences take place on nine Saturdays from 9am-1pm offsite. This course meets face to face AND online. Access to a computer or laptop with camera, audio (sound & microphone) and an internet connection is required. Labs are tentatively scheduled for: 09/25, 10/02, 10/09, 10/16, 10/23, 10/30, 11/6, 11/13, 11/20

ELECTROCARDIOGRAPHY (EKG) TECHNICIAN

An approved application is required prior to registration.
Prerequisite: A high school diploma or GED and previous healthcare experience or certification
 Email CEAlliedHealth@com.edu for details and approval.

This program trains students to become EKG technicians, a key part of the medical team. EKG technicians prepare patients for an EKG by attaching electrodes to patient's arms, legs and chest. They also operate EKG machines while monitoring, interpreting and documenting patients' results, and they maintain and troubleshoot technical problems with EKG machines. EKG technicians work in health clinics, hospitals, and medical offices. Between 2018-2028, the need for EKG technicians is projected to grow 17.5 percent. The mean hourly wage is \$20.50. (Source: Bureau of Labor Statistics)

Notice to Students Regarding Licensing
 Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. **NOTE: Criminal history checks are required for clinical experience purposes.**

Should you wish to request a review of the impact of criminal history on your potential licensure prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation": <https://www.precheck.com/>

This information is being provided to all persons who apply or enroll

in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Course #	Title	Hrs
ECRD 1011	Electrocardiography and Telemetry Monitoring This introductory course is designed to teach the fundamentals of cardiovascular anatomy and physiology. Topics include basic electrocardiography procedures, interpretation of basic dysrhythmias and appropriate treatment modalities. Additional topics include an understanding of the heart and the implications of decreased cardiac output and its application in interpreting electrical activity. It also emphasizes the recognition of common and potentially lethal dysrhythmias.	64
EMSP 1050	Introduction to 12-lead ECG Interpretation Telemetry Monitoring The course will cover the interpretation of 12-lead electrocardiograms (ECGs) to identify dysrhythmias, axis deviation and myocardial ischemia, injury and infarction. It will discuss the clinical significance of abnormalities.	21
TOTAL HOURS		85

National certification: Students successfully completing these courses will be prepared to take the national exam given by National Healthcareer Association (NHA).

ELECTROCARDIOGRAPHY – 64HRS

This introductory course is designed to teach the fundamentals of cardiovascular anatomy and physiology. Topics include basic electrocardiography procedures, interpretation of basic dysrhythmias, and appropriate treatment modalities. A completed and approved application which can be picked up at the North County Learning Center in League City is required prior to registration. Contact Nichole Sullivan at 409-933-8645 for application and approval. Tuition includes CPR certification training, malpractice insurance fee (\$16), and testing fee (\$186), which includes study guide and practice exams. Students will be charged an additional \$25 for each hybrid course. Students must concurrently enroll in SYN: 2740-EMSP-1050-200CL. This course meets face to face AND online. Access to a computer or laptop with camera, audio (sound & microphone) and an internet connection is required. CPR will be scheduled by the instructor on the first class day.

FAST-TRACK ONLINE REAL ESTATE PROGRAM

Powered By:
REcampus

24/7 Access!

Students in this program prepare for careers as real estate agents. Workers on average earn a media salary in Texas of \$61,270. 10% of workers earn \$29,010 or less and 10% of workers earn \$124,570 or more. According to the Bureau of Labor Statistics, 2019. Classes are available online in partnership with REcampus at <https://portal.recampus.com/re/mainland>. The Texas Real Estate Commission requires students to complete

180 class hours before taking the Texas Real Estate Salesperson Exam. Six courses are mandatory: Real Estate Principles I, Real Estate Principles II, Real Estate Law of Agency, Real Estate Law of Contracts, Real Estate Finance and Texas Real Estate Promulgated Contracts and Forms. The cost is \$155 plus tax for each required course. Students have six months to complete each required course. Test will be proctored online.

<https://portal.recampus.com/re/mainland>

REAL ESTATE DISCLAIMER

Students enrolling in Real Estate education courses having a criminal history, may be ineligible for the license they seek. Students may request a criminal history evaluation prior to enrolling in courses or applying for a real estate, inspector or appraiser license. Students who are potential applicants may request a criminal history evaluation, by submitting a completed Moral Character Determination Form to the Texas Real Estate Commission prior to applying for a license. Students should refer to the criminal history eligibility guidelines set out in Texas Occupations Code §53.025 and TREC Rule 541.1.

REAL ESTATE		
Course #	Title	Hrs

INDUSTRIAL TRADE CAREERS

Heating, Ventilation and Air Conditioning Occupational Skills Award

REQUIRED COURSE SEQUENCE

Select classes will be offered each semester
Textbooks are not included in course cost.

COM's Heating, Ventilation and Air-Conditioning Program prepares students for a successful career as an HVAC techni-

cian and/or installer through hands-on training. HVAC technicians work with systems in commercial offices, industrial complexes, manufacturing plants, schools, hospitals, hotels, restaurants and residential homes. The need for qualified HVAC technicians and installers in the Gulf Coast Region is anticipated to grow 24 percent by 2026. The median hourly wage is \$23.43, with entry-level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
HART 1001	Basic Electricity for HVAC This course is a study of the fundamental principles of electricity as required for the heating, ventilation and air conditioning trade. Students will demonstrate the proper use of test equipment, electrical circuits, and component theory and operation. They will apply electrical calculations and demonstrate electrical safety. Students will receive an OSHA 10 credential. Required Textbook ISBN: 978-1-63-126354-5 Required Workbook ISBN: 978-1-63-126355-2	48
HART 1038	Air-Conditioning, Level I This course is a study of HVAC principles, terminology, tools and skills. Students will identify and demonstrate use of tools for HVAC, perform brazing and soldering operations, and apply trade mathematics. Prerequisite: HART-1001 Required Textbook ISBN: 978-1-63-126354-5	96
HART 1005	Air-Conditioning, Level II This course is a study of practical application of air-conditioning principles, including air properties, maintenance operations, thermodynamics and compressors. Prerequisites: HART-1001, HART 1038 Required Textbook ISBN: 978-1-63-126354-5	96
HART 2036	Air-Conditioning, Level III This course is an advanced study of troubleshooting principles. Students will demonstrate the use of test equipment to conduct performance tests and diagnose problems in air-conditioning and refrigeration systems. Prerequisites: HART-1001, HART 1038, HART 1005 Required Textbook ISBN: 978-1-63-126354-5	48

DID YOU KNOW?

The number of HVAC technicians needed for the Gulf Coast Region is anticipated to **grow 24% by 2026** with the median salary of **\$23.43/hour** depending on skill level.

HART 1043	EPA Course and Test This course covers Section 608 of the Federal Clean Air Act of 1990. Students will receive intensive training in the required areas in preparation for the certification exam. The certification exam is included. Prerequisites: HART-1001, HART 1038, HART 1005	10

Electrical I Occupational Skills Award

REQUIRED COURSE SEQUENCE

COM's NCCER Electrical Program prepares students for a successful career in an entry-level position as an Electrical helper often leading into Electrical technician careers. Electrical helpers install, operate, maintain and repair electrical wiring and control systems. Careers are available in residential, multi-

dwelling, commercial environments, refineries, manufacturing, utilities and construction.

The need for qualified Electricians in the Gulf Coast Region is anticipated to grow by 17 percent by 2026. The median hourly wage is \$27.10, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
CNBT 1018	Electrical - NCCER Core This course is a comprehensive study of NCCER Core for instrumentation students. This course introduces students to basic job site construction safety in residential, commercial and industrial construction. Students will also learn how to select and demonstrate the proper use of hand tools, portable and stationary power tools, and related construction equipment. Students will obtain their OSHA 10 certification and credentials for NCCER Core. Required Textbook ISBN: 978-0-13-413098-9	64
ELPT 1011	Electrical - NCCER Level 1 This course is a comprehensive study of NCCER Level 1 for electrical. Students are introduced to mathematical applications used to solve problems in the electrical field. Students learn to use a calculator to perform operations involving fractions and decimals; compute percentages using ratio and proportions; convert unit values, solve simple equations, and calculate areas and volumes of geometric solids. Upon completion students will obtain credentials for NCCER Electrical Level 1. Prerequisite: CNBT-1018 Required Textbook ISBN: 978-0-13-473820-8	96
ELPT 1041	Electrical - NCCER Level 2-A This course is a comprehensive study of NCCER Level 2-A for electrical. Students are introduced to basic direct current (DC) theory including electron theory and direct current applications. Upon course completion, students will be able to explain atomic structure and basic electrical values such as voltage, current, resistance and power as well as summarize the principles of magnetism. Students will learn to calculate electrical values for series, parallel and combination circuits and utilize electrical measuring instruments. Prerequisite: CNBT-1018, ELPT-1011 Required Textbook ISBN: 978-0-13-473821-5	64
ELPT 1045	Electrical - NCCER Electrical Level 2-B This course is a comprehensive study of NCCER Level 2-B for electrical. Students will discover the different wiring methods for single-family and multi-family dwellings and learn to wire devices according to electrical codes. The course will cover load calculations, service entrance sizing, proper grounding techniques and associated safety procedures. Upon completion of the course, students will be able to compute the circuit sizes needed for the installation of circuits, feeders and conductors and demonstrate grounding methods and safe installation of ground fault	64

circuits. Upon completion of Level 2 students will obtain credentials for NCCER Electrical Level 2.
Prerequisite: CNBT-1018, ELPT-1011, ELPT-1041

Instrumentation I Occupational Skills Award

NCCER Core, NCCER Level 1
COURSE SEQUENCE

COM's NCCER Instrumentation Program prepares students for a successful career in an entry-level position as an Instrumentation helper often leading into Instrumentation technician careers. Instrumentation technicians and helpers work with a wide variety of devices to measure and control pressure, temperature and flow; install and maintain instruments on new or existing equipment and processes. Careers are available in the petrochemical plants, refineries, manufacturing, utilities and construction.

The need for qualified Instrumentation technicians and helpers in the Gulf Coast Region is anticipated to grow by 11 percent (2016-2026). The median hourly wage is \$30.07, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
CNBT 1018	Instrumentation - NCCER Core This course is a comprehensive study of NCCER Core for instrumentation students. This course introduces students to basic job site construction safety in residential, commercial and industrial construction. Students will also learn how to select and demonstrate the proper use of hand tools, portable and stationary power tools, and related construction equipment. Students will obtain their OSHA 10 certification and credentials for NCCER Core. Required Textbook ISBN: 978-0-13-413098-9	64
TECM-1001	Industrial Mathematics This course teaches math skills applicable to industrial occupations. It includes fractions and decimal manipulations, measurement, percentages and problem-solving techniques for equations and ratio/proportion applications. Prerequisite: CNBT-1018 Required Textbook ISBN: 978-1-33-7630580	64
INTC 1007	Instrumentation - NCCER Level 1 This course is a comprehensive study of NCCER Level 1 for instrumentation. In this course, students will become familiar with the theory and application of instrumentation test equipment.	96

The course emphasizes accuracy, limitations of instruments and calibration techniques. Students will select, set up and operate test and measurement tools and equipment; analyze measurement results; identify test instrument limitations and parameters; and demonstrate proper safety procedures. Upon completion, students will obtain credentials for NCCER Level 1. Prerequisite: CNBT-1018, TECM-1001
Required Textbook ISBN: 978-0-13-383080-4

Instrumentation II Occupational Skills Award

NCCER Level 2-A, NCCER Level 2-B

Course #	Title	Hrs
----------	-------	-----

INTC 1001	NCCER Instrumentation Level 2-A This course is an introduction to automatic process control including measuring devices, analog and digital instrumentation, signal transmitters, recorders, alarms, controllers, control valves, and process and instrument diagrams. Topics include the connection and troubleshooting of loops. At the end of the course, students will have learned to explain pneumatic and electronic controls; connect and troubleshoot control loops; and draw process and instrument diagrams, wiring diagrams and block diagrams. Upon completion, students will obtain credentials for several modules of NCCER Instrumentation Level 2. Prerequisite: CNBT 1018, INTC 1007	96
------------------	--	-----------

INTC 1025	NCCER Instrumentation Level 2-B This course trains students in the installation of instrumentation equipment into a process environment using industry standards. Students will learn to outline the general procedures for installing instrumentation and mount an assigned series of instrumentation devices. Upon completion, students will obtain credentials for completion of NCCER Instrumentation Level 2. Prerequisite: CNBT 1018, INTC 1007, INTC 1043 Required Textbook ISBN: 978-0-13-413101-6	64

Mechanical Maintenance Technician, Basic Occupational Skills Award

REQUIRED COURSE SEQUENCE

Required for Mechanical Maintenance Technician Intermediate and
Advanced OSA and the Machinist OSA

Select classes will be offered each semester.

Textbooks are not included in course cost.

COM's Mechanical Maintenance Technician Program prepares students for a successful career as a mechanical maintenance technician and millwright. Mechanical maintenance technicians work in petrochemical, refineries, manufacturing, production, power plants, maritime, aerospace, hospitals, commercial facilities and machine shops. The need for mechanical maintenance technicians and millwrights in the Gulf Coast Region is anticipated to grow by 18 percent by 2026. The median hourly wage is \$25.77, with entry-level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
INMT 1005	Introduction to Industrial Maintenance This course trains students in the basic mechanical skills and repair techniques common to most fields of industrial maintenance. Topics include using precision measuring instruments and the safety rules common in industry. Students will obtain their OSHA 10 certification. Required Textbook ISBN: 978-1-33-779530-2	64
TECM 1001	Industrial Mathematics This course teaches math skills applicable to industrial occupations. It includes fraction and decimal manipulation, measurement, percentages and problem-solving techniques for equations and ratio/proportion applications. Prerequisite: INMT -1005 Required Textbook ISBN: 978-1-13-377983-10	64
MCHN 1002	Print Reading for Machine Trades and Rigging Students will study blueprints for machining trades with an emphasis on machine drawings. Topics include identifying the elements of machine drawings; interpreting the dimensions, tolerances and geometric aspects of blueprints; explaining geometric dimensioning and tolerancing (GD&T) symbols and their meanings; and identifying the safety concerns associated with lifting loads; rigging a load for lifting; performing a safety check before a load is lifted; and identifying the equipment required to make a lift. Prerequisites: INMT-1005 and TECM-1001 Required Textbook ISBN: 978-1-63-126105-3 and 978-0-13-412905-1	64
POFT 1006	Job Search and Employment Skills Students will develop the skills required to	40

obtain and maintain a job. Topics will include standard applications for employment, interview procedures, personal appearance and attitudes, employer expectations, and employer/employee relationships." Prerequisites: INMT-1005, TECM-1001, MCHN-1002

Textbook Not Required

WLDG 1021 Metallurgy and Welding Fundamentals 64

This course is an introduction to the fundamentals of the equipment used in oxy-fuel and arc welding, including welding and cutting safety, basic oxy-fuel welding and cutting, basic arc welding processes and basic metallurgy. Prerequisite: INMT 1005, TECM 1001, MCHN-1002, POFT-1006

Course #	Title	Hrs
----------	-------	-----

MCHN 2005 Millwright III – Bearings, Seals and Couplings 64

This course is an introduction to bearings and seals. Topics include the identification of common bearings and seals with an emphasis on the design and installation of seals, bearings and couplings. Prerequisites: Basic MMT Occupational Skills Award

Required Textbook: Product # 730733, 840843, 730734.1

MCHN 2007 Millwright IV – Lubrication, Valves and Pumps 64

This course is a study in the recognition and appli-

cation of various types of pumps. It will focus on troubleshooting, repairing and installing pumps.

Prerequisites: MCHN-2005

Required Textbook: Product# 730735, 840844

MCHN 2012 Millwright V – Gear Boxes, Chain and Belt Drives 64

This course teaches the recognition and application of gearboxes, and it reviews drive installations using chain and belt drives. This course will focus on troubleshooting, repairing and installing gearboxes, chain drives and belt drives. Prerequisites: MCHN-2005, MCHN-2007
Topic 303.1

INMT 2003 Pumps, Compressors and Mechanical Drives 64

Students will study the theory and operations of various types of pumps and compressors. Topics include mechanical power transmission systems including gears, v-belts and chain drives. Prerequisites: MCHN-2005, MCHN-2007, MCHN-2012
Required Textbook ISBN: 978-0-88-415525-6

TOTAL HOURS 256

and Intermediate Mechanical Maintenance Technician OSA
Textbooks are not included in course cost.

Course #	Title	Hrs
----------	-------	-----

MCHN 2014 Millwright VI – Reciprocating, Centrifugal Compressors and Blowers 64

This course is a study of the design, operation and application of fans, blowers and compressors. Topics will emphasize the relationships and dif-

	ferences between types of pneumatic equipment as well as troubleshooting, repairing and installing fans, blowers and compressors. Required Textbooks ISBN: 978-0-88-415525-6	
MCHN 2016	Millwright VII – Turbines This course is a study in the operational principles of turbines, the types of turbines and the troubleshooting and repairing of turbine equipment. The course will also review the installation of turbine systems. Prerequisites: MCHN-2014 Textbook Not Required	64
MCHN 2018	Millwright VIII – Alignment and Vibration This course is an introduction to equipment alignment techniques and procedures. The course will focus on skill development in collinear alignment using both the conventional method of alignment and the reverse dial indicator method. This course will also introduce the student to laser shaft alignment. Prerequisites: MCHN-2014, MCHN-2016 Required Textbook: Product #730734.1	64
TOTAL HOURS		192

Manual Machinist Occupational Skills Award

REQUIRED COURSE SEQUENCE

Prerequisites: MMT Basic Occupational Skills Award or approval from the director of CE industrial workforce programs and one year's work experience as a manual machinist.
Textbooks are not included in course cost.

COM's Manual Machinist Program prepares students for a successful career as a manual machinist creating precision parts using manual lathes and mills. Manual machinists work in fabrication and machine shops supporting the petrochemical, refineries, manufacturing, and aerospace industries.

The need for qualified manual machinists in the Gulf Coast Region is anticipated to grow by 17 percent by 2026. The median hourly wage is \$21.36, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
MCHN-1038	Basic Machine Shop This course is an introduction to machining fundamentals. Students will use lathes, milling machines, drill presses, power saws and bench grinders. They will learn machine terminology, theory, trade mathematics, part layout and bench work using common measuring tools. They will demonstrate tooling maintenance and material handling, plus perform basic machine shop maintenance while following safety guidelines. Required Textbook ISBN: 978-1-33-779530-2	64
MCHN-1013	Basic Milling This course is an introduction to the common types of milling machines and their basic machines, part nomenclature, and basic machine operations and procedures. Students will identify milling machine components and their functions, calculate speeds and feeds, and set up and operate milling machines. They will apply safety, machine mathematics, blueprint reading and theory.	64

	Prerequisites: MCHN-1038 Required Textbook ISBN: 9781337795302	
MCHN-1008	Basic Lathe The course is an introduction to the common types of lathe machines, part terminology, basic machine operations and procedures. Students will identify lathe machine components and their functions, calculate speeds and feeds, set up and operate lathe machines. They will apply safety, machine mathematics, blueprint reading and theory. Prerequisites: MCHN-1038 and MCHN-1013 Required Textbook ISBN: 9781337795302	64
MCHN-2041	Advanced Machining This course is a study of advanced lathe and milling machines operations. The student will learn advanced cutting operations of lathes and milling machines, including the use of special tooling, bench assembly and materials identification. Prerequisites: MCHN-1038, MCHN-1013 and MCHN-1008 Required Textbook ISBN: 9781337795302	64
TOTAL HOURS		256

CNC Machinist Occupational Skills Award

REQUIRED COURSE SEQUENCE

Prerequisites: Manual Machinist OSA or approval from the director of CE industrial workforce programs and two years' work experience as a manual machinist.
Textbooks are not included in course cost.

COM's CNC Machinist Program prepares students for a successful career creating precision parts using computer numerical controlled (CNC) lathes and mills. CNC machinists work in fabrication and machine shops supporting the petrochemical, refineries, manufacturing, and aerospace industries.

The need for qualified CNC machinists in the Gulf Coast region is expected to grow by 34 percent by 2026, the median hourly wage is \$27.14, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
MCHN-2003	CNC Programming This course is the study of programming and operation of computer numerical controlled (CNC) machine shop equipment. Students will demonstrate operations of CNC machine controls, compare and contrast the differences between conventional and CNC machines, and use CNC machine applications for machining operations. Required Textbook ISBN: 978-0-83-113347-4	124
MCHN-1026	CAM/Mastercam This course is the study of computer-aided manufacturing (CAM) Mastercam software, which is used to develop applications for manufacturing. It emphasizes tool geometry, tool selection and	64

tool library. Students will create part programs, transfer programs to the machine control unit, and machine parts. Prerequisites: MCHN-2003
Required Textbook ISBN: 978-0-988766-16-4

MCHN-2038 CAM Multi-Axis **64**

This course covers advanced techniques in computer-aided manufacturing (CAM) software used to develop applications for manufacturing. Students will use the CAM software Mastercam to create multi-axis part programs and transfer programs to the machine control unit. Prerequisites: MCHN-2003 and MCHN-1026
Required Textbook ISBN: 978-1-92-735979-2

TOTAL HOURS **252**

Industrial Pipefitting Occupational Skills Award

REQUIRED COURSE SEQUENCE
Textbooks are not included in course cost.

COM's NCCER Industrial Pipefitting Program prepares students for a successful career in an entry-level position as a Pipefitter helper often leading into a Pipefitter career. Pipefitters layout, assemble, install, and repair pipelines or pipe systems that carry water, steam, air or other liquids or gases for production and process systems. Careers are available in petrochemical, refineries, manufacturing, utilities and construction.

The need for qualified Pipefitters in the Gulf Coast Region is anticipated to grow by 23 percent by 2026. The median hourly wage is \$26.52, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Industrial Pipefitting I Occupational Skills Award

NCCER CORE, NCCER Level 1, NCCER Level 2
REQUIRED COURSE SEQUENCE

Course #	Title	Hrs
CNBT-1018	Pipefitting – NCCER CORE	64
	This course is a comprehensive study of NCCER Core for pipefitting students. This course introduces students to basic job site construction safety in residential, commercial and industrial construction. Students will also learn how to select and demonstrate the proper use of hand tools, portable and stationary power tools, and related construction equipment. Students will obtain their OSHA 10 certification and credentials for NCCER Core. Required Textbook ISBN: 978-0-13-413098-9	
PFPB-1008	Pipefitting – NCCER Level 1	96
	This course is a comprehensive study of NCCER Level 1 for pipefitting. Students will be introduced to the pipefitting trade. They will learn how to use hand tools and power tools associated with pipefitting; identify pipes, pipe fittings, flanges and fasteners; apply mathematical calculations applicable to pipe-fitting installations; identify equipment used in pipefitting such as oxy-fuel cutting, ladders	

and scaffolds and motorized equipment. Upon completion students will obtain credentials for NCCER Pipefitting Level 1. Prerequisite: CNBT-1018
Required Textbook ISBN: 978-0-13-580941-9

PFPB-1043 Pipefitting – NCCER Level 2 **128**

This course is a comprehensive study of NCCER Level 2 for pipefitting. Students will identify and demonstrate the use of different piping systems. They will install pipe hangers and supports, sketch isometric views of piping assemblies, interpret piping standard and specification, and use measuring devices and pipefitting trade math. Upon completion students will obtain credentials for NCCER Pipefitting Level 2. Prerequisites: CNBT-1018 and PFPB-1008
Required Textbook ISBN: 978-0-13-581811-4

WELDING

WELDING, MULTIPLE PROCESSES – 112 HRS

Prepare to enter a field with growing opportunities with COM's Welding Technology Program. Area plants are investing billions of dollars in capital improvements, and COM provides training that supports industry demands. Employment can be found in a variety of industrial settings such as the oil and gas industry, energy exploration, power plants and construction. The need for qualified welders in the Gulf Coast region is anticipated to grow by 26.7 percent by 2020. The median hourly wage is \$17.53 with entry-level positions starting below that rate. (Source: Workforce Solutions, 2014) COM's program prepares a student completing the Welding, Multiple Processes class to be hired as a welder SMAW (shielded metal arc welding) helper/tacker. Students completing three classes may be hired as a structural welder (SMAW), while students completing five classes may be hired as a pipe welder (SMAW). The course includes a \$200 lab fee. Not included is approximately \$250 for personal equipment. No Senior Discounts

SECURITY AND LOSS PREVENTION

COMMISSIONED SECURITY OFFICER

COM's Commissioned Security Officer Course, which can be completed in about a week, prepares students for a career as a commissioned security officer. Commissioned security officers guard, patrol or monitor premises to prevent theft, violence or infractions of rules. They may operate X-ray and metal detector equipment. They may work in a wide variety of places, includ-

ing public buildings, retail stores, industrial facilities and office buildings. The median hourly wage in Texas is \$24,680 per year/ \$14.27 per hour. (Source: Bureau of Labor Statistics, 2019)

Course #	Title	Hrs
SLPS 1013	Commissioned Security Officer	32
	This course provides required training to carry firearms for private security employment. Training consists of Texas Commission on Private Security Levels II and III covering the role of the security officer, legal power and authority for arrest, search and use of force, professionalism, leadership, ethical conduct, written documentation, emergency situation conflict resolution and commission rules and regulations. Students must pass written exams and demonstrate proficiency with a handgun and shotgun. Successful completion of the course will provide initial certification through the Texas Private Security Bureau to carry a firearm for private security employment.

BEGINS AUGUST 12, 2021**

CHURCH SAFETY TEAM TRAINING – 4 HRS

This course will cover timely and relevant topics for church safety teams. The church has a responsibility to safeguard the local congregation from harm and work to educate and equip their staff to physically respond in a time of crisis. Training techniques will include how to identify potential threats, effectively communicating with team members and the congregation, incident, and post-incident training, equipment placement, firearms safety, drawing weapons, and casualty care in a simulated environment. null Supplies needed include a personal firearm, holster and a cover (shirt or jacket) for the weapon. Ammunition is not required. All other training will be conducted on the shooting simulator with hands-on casualty care in class.

GULF COAST SAFETY INSTITUTE

The Center for Risk Management provides safety and health training courses at no charge through a generous grant from the Texas Mutual Insurance Company.

All courses are taught at the Gulf Coast Safety Institute, unless otherwise listed.

Visit www.com.edu/rmi for the current list of class offerings.

For more information, call 409-933-8365.

INCIDENT INVESTIGATION – 8HRS

An incident investigation is the account and analysis of an incident based on information gathered by a thorough examination of the facts as related to the incident. It seeks to identify factors that contributed to the incident and if altered or controlled would reduce the risk of future losses. Therefore, it is essential to ensure those who are responsible for investigating incidents are properly trained. Investigation team members must understand how to determine which incidents warrant investigations (and to what level), how to use investigation and interviewing techniques to gather complete, objective and accurate data, how to identify contributing factors, the role human factors play in incidents, and how to document the investigation. This Incident Investigation course will focus on techniques for gathering complete, accurate and objective incident data, how to conduct effective interviews, identifying causal and contributing factors, reporting findings and various tools and techniques for conducting an investigation.

LEADING THROUGH CRISIS – 8HRS

The COVID-19 pandemic has impacted the entire world creating a level of crisis that many organizations and leaders have never encountered. How well an organization comes out of any crisis lies solely on the leader's capabilities to see, deal, and work with their team to work through the crisis. Be ready to be informed, challenged and inspired to be the leader whose followers want them to be led through a crisis. Key takeaways: Discover ways to adapt successful thinking habits during any crisis; Identify five principles to effectively shift your perspective during a crisis and how to maneuver through times of crisis.

FOCUS FOUR IN CONSTRUCTION – AFTER FIVE DECADES OF OSHA – 8HRS

Focus Four in Construction are Falls, Electrocutions, Struck-by, and Caught-by/in between. These four hazards result in 90% of deaths and 80% of citations in construction. Overall, these four comprise 40% of all workplace deaths and 45% of all citations issued by OSHA Compliance Officers consistently since OSHA's emphasis of them began in 2011. What actions have been taken to reduce the incidents involving these activities? Can we find other and better methods to reduce the occurrences more? This class will endeavor to develop improved prevention and protection methods to discover methods to help attendees further their safety efforts in these areas. Discussion, examples, and "brainstorming" will be used by the participants to achieve better practices for safety.

WORKERS COMPENSATION – INITIAL DOCUMENTATION THROUGH RETURN-TO-WORK – 8HRS

It is essential to properly report and document every on-the-job injury. From the initial filing of the Texas DWC-1, Employer's First Report of Injury or Illness to making a Bona Fide Offer of Employment there are many pitfalls to avoid. Understanding how to correctly report the incident details can make the difference in the acceptance or denial of the incident by your workers' compensation carrier. In the end, returning injured employees back to work as soon as medically possible following an injury is a major goal of the workers' compensation system and all case managers. Workers' compensation case managers should always seek to provide the best possible outcome for both the employee and employer.

PRACTICAL ERGONOMICS FOR BEGINNERS – 8HRS

The class will cover musculoskeletal disorders (MSDs) in the workplace and strategies to reduce their incidence. Students will learn the economic burden of MSDs to their company, and how to "sell" to management the need for a company ergonomics program. The course will address ergonomic hazards in both the office and the plant/field. After students

learn to identify ergonomic hazards, they will learn practical and cost-effective control strategies. Students will be equipped with the knowledge to develop a company specific ergonomics program and learn how to prioritize their control and prevention strategies.

DRONE PILOT TEST PREPARATION COURSE – 16HRS

Drones are now a part of everyday life – both at home and work. To legally fly most drones under FAA Part 107, you need to have a pilot license which requires you to pass the drone pilot knowledge test. This course is designed to prepare students to better understand the information that

will be tested on the exam and provide a hands-on experience. Students will be taught regulations, airspace classification and operating requirements, weather, loading and performance and operations specifics. The topics are covered over 2 days of classroom including 3 hours of hands-on training. Drones will be provided for the hands-on portion. Call 409-933-8162 for more details.

MESSAGE FROM THE MANAGER

Welcome to the COM Lifelong Learning Program! Our 15,000 square foot facility in the Gulfway Plaza houses 5 educational classrooms, a computer lab, a kiln room, a fitness room, and a dance studio.

The Lifelong Learning program provides a variety of educational opportunities for adults within our community.

Community Education

Non-credit, fee-based personal development classes and workshops available to the entire community.

- Class/workshop fees are based upon content and costs
- Classes range from two hours to several weeks depending on topic
- Classes held primarily during weeknight evenings and Saturdays

50 Plus

Classes that are specifically designed to engage and serve the 50+ community.

- Class fees are \$15 per 12-wk semester for adults ages 50+
- Classes are two hours each week
- Classes held during daytime hours (8am-5pm)
- Classes include hobby level instruction

Trip/Travel Adventures

Day/Evening outings as well as extended travel opportunities for students to explore education through trips and travel.

- Trip and Travel fees vary depending on location
- Day and evening educational outings offered to increase student appreciation of different arts and cultures
- Extended travel opportunities available annually to explore both the US and abroad

Please mark your calendar for these important dates:

Aug. 12, 2021	First day of Registration for Fall 2021
Sep. 3, 2021	Registration deadline for 50 Plus courses
Sep. 13, 2021	Classes begin
Nov. 25-28, 2021	College closed for Thanksgiving Holiday
Dec. 13-Jan. 2, 2022	College closed for Winter Holiday

LIFELONG LEARNING OFFICE HOURS

MONDAY – FRIDAY

8 a.m. – 5 p.m.

For more information, call 409-933-8461.

We are also available and happy to speak to local groups or organizations about our program.

There are a variety of ways to get involved with lifelong learning! We hope to see you this semester!

Lisa Renfroe
Program Manager
Lifelong Learning

LIFELONG LEARNING PROGRAM VISION

The College of the Mainland Lifelong Learning Program will be respected regionally and nationally for excellence in the development and delivery of innovative educational opportunities for adults.

LIFELONG LEARNING PROGRAM MISSION

The College of the Mainland Lifelong Learning Program's mission is to provide educational opportunities for adult students by offering personal enrichment classes in a positive, accepting, and intergenerational environment. The Lifelong Learning Program staff collaborates with academic departments and the community to develop programs that meet society's existing and emerging educational needs.

REGISTRATION FOR LIFELONG LEARNING PROGRAMS

Students may register:

1. **In person:** Please register at the Lifelong Learning Gulfway Plaza office.
2. **By phone:** Please call 409-933-8461 and leave a message. Calls will be returned in the order received each day so please be available for the call back in order to retain your spot in line.
3. **Online:** Please login using WebAdvisor. If you need assistance with your User ID/COM ID, please email Sonia Kukuch at skukuch@com.edu. Please note, only returning students may register online.

The Continuing Education schedule can be found here online: <https://www.com.edu/ce/schedule.html>

CANCELLATION OF CLASSES

If the college cancels a class, an automatic 100 percent refund of tuition and fees is initiated. To drop a class, you must notify the Lifelong Learning Office 409-933-8226 no later than one business day prior to the class start date to receive a refund.

WAITING LISTS

Want to attend a class that is full? Contact the Lifelong Learning Program Office at 409-933-8461 to join a waiting list.

HANDICAPPED-ACCESSIBLE PARKING

Need a handicapped-parking permit? Contact campus police at 409-933-8403.

COURTESY RIDE

Need a ride from COM's parking lot to any building on main campus? Call campus police at 409-933-8403. A police officer or employee will pick you up and take you to the building.

COMMUNITY EDUCATION COURSES

For adults 18+

A SPOTLIGHT ON IRISH LAGERS – 3HRS

Join us at Galveston Island Brewing as we dive into the making of lagers, the origin of these beers and their history. You will learn about the lagering process and how these beers became a popular staple in the land where stouts and porters reigned supreme. There will be tastings and discussion of this popular beer style that will span the distance from grain to glass. Hear authentic stories of Ireland and some colorful background about the Irish people and the lagers they love! Must be 21 years old to register. Registration Deadline: 09/10/21

Cost: In District:\$39 Out-of-District:\$44
 SYN:2797 LLPEX-6058-201CL 09/25/21-09/25/21 S

AT SWORD'S POINT: AN INTRO TO FENCING (FOIL) – 12HRS

This class offers you an introduction to the sport of fencing – including origins of the sport, fundamentals of footwork and bladework, fencer safety, and the tactics and psychology of the game. The class is broken into three parts: footwork drills; blade-work drills; and open fencing (students fence each other). By the end of the class you should possess the fundamental skills of an entry level fencer suitable for a local novice tournament, as well as an appreciation and insight into the game. Registration Deadline: 09/10/21

Cost: In District:\$79 Out-of-District:\$84

BEGINNER BIRDING – 10.5 HRS

Ever hear a bird's chirp or see one fly overhead and wonder what kind of bird it is? Come join this workshop and familiarize yourself with the beautiful birds of the Gulf Coast, their migration, and what happens on the Texas Coast in different seasons. You will also learn about what equipment you need to be your best "birder"! Then you will have an opportunity to put what you have learned into action on a birding excursion to Galveston on Saturday (you will be responsible for your own transportation, binoculars, and snacks/lunch.) Tue 6pm-8pm Sat 8am-4:30pm. Registration Deadline: 09/30/21

Cost: In District:\$65 Out-of-District:\$70

COLOR IN CERAMICS – 8HRS

In this workshop, we will explore the potential of color on the ceramic surface. We will focus on tile or other more two-dimensional forms so we can explore the many painting techniques available in the world of ceramics. Some modeling of the clay will occur but mostly we will emphasize treating the clay as a canvas. Color theory will also be discussed. All ceramic materials will be provided, but you may want to bring some of your favorite brushes! Registration Deadline: 09/14/21

INTRODUCTION TO VOICEOVERS – 1.5HRS

"Wow, you have a great voice!" How many times have you heard that? Or maybe you listen to your favorite audiobooks, commercials, or cartoon characters and think, "I could do that!" Explore the voiceover industry with your instructor, a professional, working voice actor from Voices For All. Discover current trends in the industry and how they make it easy and affordable for just about anyone to get involved. You'll learn about different types of voiceovers and the tools you'll need to find success. Your instructor will take notes as you read a real script in this one-on-one video chat setting, and offer some coaching to improve your delivery. You'll receive a professional voiceover evaluation later. One-time, 90-minute, introductory class. Learn more at <http://www.voicesforall.com/ooo>. 18 and over. You owe it to yourself to finally explore the possibilities of this fun and rewarding field! *There are no set times for this course. Student will schedule time with the instructor.

EXERCISE: BALANCE TRAINING – 30HRS

Reduce your fear of falling and increase your activity level with this class, which focuses on the exercises that improve balance and coordination. Instructor will use lecture, discussion, and videos to support the training. You will learn to perform safe stretching, balance, aerobic and strengthening exercises that will gradually tone muscles, core and increase endurance over time. A chair will be used for support as needed and modifications will be given if needed. No class 11/25/21

Cost: Senior:\$15 In District:\$42 Out-of-District:\$47

EXERCISE: LINE DANCING – 30HRS

Line dancing involves performing patterned foot movements in a line in unison to music. Line dancing not only blends exercise and recreation, it is also a fun way to meet new people and experience personal satisfaction from accomplishments. This class is for those who have never had a line dancing class. You must wear footwear that slides and swivels easily and does not stick to the floor. No partner is needed.

Cost: Senior:\$15 In District:\$42 Out-of-District:\$47

EXERCISE: PILATES, WEIGHTS, AND DRUMS – 30HRS

Get three different exercises in just one class! You will perform different exercises each day to help strengthen and tone different areas of your body: Pilates, resistance bands, balls, hand weights, and drumming on the Pilate balls with drum sticks. Modifications will be included for all exercises, but you will be encouraged to challenge yourself as the semester progresses. No class 11/25/21

Cost: Senior:\$15 In District:\$42 Out-of-District:\$47

EXERCISE: PILATES – 30HRS

Pilates strengthens the muscles that support the spine (the neck, shoulders, abs, hips and thighs) to bring balance into the body. Most body aches and pains are due to muscular imbalance. Pilates helps to realign the spine to decrease tension, increase flexibility and strengthen the body from the inside out. To maximize the benefit of this class, you should be able to exer-

cise on the floor using mats provided. You will be shown modifications for all exercises but will be encouraged to challenge yourself as the semester progresses. No class 11/25/21

Cost: Senior:\$15 In District:\$42 Out-of-District:\$47

EXERCISE: TAEKWONDO – 30HRS

Taekwondo is a martial arts program designed to help you with balance and memory. We will discuss the history of TKD and then you will learn various forms and techniques. As we progress, you will have the option to test for martial art belts. Certificates are issued by the instructor for the testing, so you are only responsible for purchasing the appropriate belt if desired.

TRIP: BROADWAY ACROSS AMERICA – MY FAIR LADY

From Lincoln Center Theater that brought you The King & South Pacific, comes “a sumptuous new production of the most perfect musical of all time” (Entertainment Weekly), Lerner & Loewe’s MY FAIR LADY. Boasting such classic songs as “I Could Have Danced All Night,” “The Rain in Spain,” “Wouldn’t It Be Lovely” and “On the Street Where You Live,” MY FAIR LADY tells the story of Eliza Doolittle, a young Cockney flower seller, and Henry Higgins, a linguistics professor who is determined to transform her into his idea of a “proper lady.” A buy-your-own dinner will precede the show. Cost includes transportation and admission ticket. Tickets have been pre-purchased for this event; therefore, they are non-transferable and non-refundable.

Cost: \$85

TRIP: VAN GOGH – THE IMMERSIVE EXPERIENCE

Have you ever dreamt of stepping into a painting? Take an awe-inspiring journey into the incomparable universe of Van Gogh, one of the greatest artistic geniuses of the 19th century. Explore his life, his work, and his secrets as never before through cutting-edge 360 degree digital projections, a one-of-a-kind VR experience, and a uniquely atmospheric light and sound show. This impactful experience has already thrilled visitors in Naples, Italy,

Brussels, Belgium, and the UK. Become completely immersed in the works of art around you and feel the shift in reality as you dive into the world created by Van Gog’s brush strokes. A buy-your-own lunch will follow the tour. Cost includes transportation and admission ticket. Tickets have been pre-purchased for this event; therefore, they are non-transferable and non-refundable.

TRIP: THEATRE UNDER THE STARS (TUTS) – ROCK OF AGES

ROCK AND ROLL ALL NIGHT AT BROADWAY’S ULTIMATE ‘80S PARTY! Rock of Ages takes you back to the time of bands with big egos, big guitar solos and even bigger hair! Featuring the music of hit bands including REO Speedwagon, Pat Benatar, Twisted Sister, Bon Jovi, Styx, and Journey, this musical comedy was nominated for five Tony Awards® including Best Musical. Set at the end of the 1980s in one of the Sunset Strip’s last legendary venues, a place where superstar Stacey Jaxx takes the stage and groupies line up to turn their fantasies into reality. Amidst the madness, aspiring rock star – and resident toilet cleaner – Drew longs to take the stage as the next big thing. He falls for Sherri, a small-town girl, fresh off the bus from Kansas with stars in her eyes. But the rock and roll fairytale is about to end when developers sweep into town with plans to turn the fabled Strip into just another strip mall. Can Drew, Sherri, and the gang save the strip and themselves before it’s too late?” A buy-your-own dinner will precede the show. Cost includes transportation and admission ticket. Tickets have been pre-purchased for this event; therefore, they are non-transferable and non-refundable.

TRIP: THEATRE UNDER THE STARS (TUTS) – SISTER ACT

Based on the hit film, Sister Act is the feel-good musical comedy smash that has audiences jumping to their feet! When disco diva, Deloris Van Cartier, witnesses a murder, she is put in protective custody in the one place the cops are sure she won't be a found: a convent! Disguised as a nun, she finds herself at odds with both the rigid lifestyle and uptight Mother Superior. Using her unique disco moves and singing talent to inspire the choir, Deloris breathes new life into the church and community but, in doing so, blows her cover. Soon, the gang is giving chase, only to find them up against Deloris and the power of her newly found sisterhood. A buy-your-own dinner will precede the show. Cost includes transportation and admission ticket. Tickets have been pre-purchased for this event; therefore, they are non-transferable and non-refundable.

TRIP: BROADWAY ACROSS AMERICA – TOOTSIE

It's "far and away the funniest musical of the season" (Daily News). It's "the most uproarious new show in years" (The Hollywood Reporter). It's "the best comedy on Broadway" (Forbes). No matter how you say it, TOOTSIE is unanimously funny! It's a laugh-out-loud love letter to the theatre, based on the Oscar®-nominated film. Featuring a Tony®-winning book by Robert Horn and an outrageously clever score by 2018 Tony® winner David Yazbek (The Band's Visit, Dirty Rotten Scoundrels), this New York Times Critic's Pick is a "hilarious, thoroughly modern TOOTSIE" (People Magazine) that's "even funnier than the movie!" (New York Post). "In these turbulent times, with the world out of balance, we need a place to let the good times roll,"

says Rolling Stone, "TOOTSIE is it." A buy-your-own dinner will precede the show. Cost includes transportation and admission ticket. Tickets have been pre-purchased for this event; therefore, they are non-transferable and non-refundable.

PARKING PERMITS ARE MANDATORY

Parking permits are available in the COM Gym, building 4, at no cost. To expedite the process of obtaining a parking permit, students should visit WebAdvisor and enter their vehicle information before going to the gym. Students will need to provide the gym staff with only their student ID number and will then be issued a parking permit.

Learn how to obtain a temporary or permanent permit for your vehicle at www.com.edu/campus-police/temporary-parking-permit or contact the COM Gym at 409-933-8422.

COLLEGE OF THE MAINLAND

COLLEGE MISSION

College of the Mainland is a learning-centered, comprehensive community college dedicated to student success and the intellectual and economic prosperity of the diverse communities we serve.

COLLEGE VISION

College of the Mainland will be a valued and vital community partner by striving to enrich our expanding community and preparing our students to learn, work and live in a diverse, dynamic and global environment.

COLLEGE OF THE MAINLAND BOARD OF TRUSTEES

Kyle Dickson, Board Chair, Melissa Skipworth, Secretary, Alan Waters, Vice-Chair, Dawn King, Dr. Verna Henson, Dr. William (Bill) McGarvey, Donald G. Gartman

ACCREDITATION

College of the Mainland is accredited by: The Commission on Colleges of the Southern Association of Colleges and Schools to award associate degrees and certificates. Contact the Commission on Colleges at 1866 Southern Ln., Decatur, GA 30033-4097 or call 404-679-4500 for questions about the accreditation of College of the Mainland. The Commission is to be contacted only if there is evidence that appears to support the institution's significant non-compliance with a requirement or standard.

DISCLAIMER STATEMENT

College of the Mainland reserves the right to withdraw a student due to any inability to maintain the prescribed rate of progress or for behavior detrimental to the learning process of the student or class. College of the Mainland also reserves the right to make changes in regulations, courses, fees and other matters of policy and procedure when deemed necessary. These provisions are not to be regarded as an irrevocable contract between the student and the college.

NONDISCRIMINATION STATEMENT

College of the Mainland is an equal opportunity/affirmative action educational institution and employer. The College District prohibits discrimination, including harassment, against any individual(s) on the basis of race, color, religion, national origin, age, veteran status, disability, sex, sexual orientation, gender, to include gender identity and gender expression, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of College District policy.

Further, as a recipient of Federal financial assistance, College of the Mainland prohibits discrimination against any beneficiary of, applicant to, or participant

in programs financially assisted under Title I of the Workforce Innovation and Opportunity Act, on the basis of the individual's citizenship status or participation in any WIOA Title I—financially assisted program or activity.

Inquiries concerning application of Title IX of the Education Amendments of 1972, as amended, may be referred to the College's Title IX Coordinator or the U.S. Department of Education's Office of Civil Rights. The College District designates the following persons to coordinate its efforts to comply with Title IX of Education Amendments: Dr. Sarah David, Title IX Coordinator, at sdavid3@com.edu, 1200 N. Amburn Road, Texas City, Texas 77591, 409-933-8413 and Dr. Vicki Stanfield, Title IX Administrator, at vstanfield@com.edu, 1200 N. Amburn Road, Texas City, Texas 77591, 409-933-8213.

PUBLIC INFORMATION STATEMENT

College of the Mainland offers credit academic and vocational programs published in the current college catalog. Admission into these programs is based on graduation from an accredited high school, a GED certificate or individual approval. It is the policy of College of the Mainland not to discriminate on the basis of sex, handicap, race, color, age or national origin in its education and vocational programs, activities or employment as required by Title IX, section 504 and Title VI. College of the Mainland will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. For more information about your rights or grievance procedures, contact the Vice President for Instruction, 1200 N. Amburn Road, Texas City, TX 77591-2499, or call 409-933-8229, (local) or 1-888-258-8859, ext. 8229. College of the Mainland is an equal opportunity/affirmative action educational institution and does not discriminate on the basis of race, sex, age, religion, veteran status or national origin.

DECLARACIÓN E INFORMACIÓN PÚBLICA

El College of the Mainland ofrece programas vocacionales y académicos publicados en el presente catálogo. La admisión a estos programas se efectúa a base de la graduación de una escuela secundaria acreditada o por medio de un certificado de GED o aprobación individual. Es la política del College of the Mainland no discriminar a base de sexo, desventaja física, raza, color, edad u origen nacional en sus programas educativos y vocacionales, ni en las actividades y el empleo, de acuerdo con los requisitos del Título IX, Sección 504, y del Título VI. El College of the Mainland tomará medidas para asegurar que el desconocimiento del idioma inglés no sea obstáculo a la admisión y participación en todos los programas educativos y vocacionales.
