Eligibility is based on demonstrated financial need.

COM | College of the Mainland®

## TEXAS RESKILLING GRANT

College of the Mainland is proud to receive a Texas Reskilling Support Fund grant from the Texas Higher Education Coordinating Board. This grant provides financial aid for students affected by COVID-19 who would like to earn an Occupational Skills Award, return to finish their program, earn the next level of credential, or who are displaced workers needing new training. Funds are available for eight programs that all lead to in-demand careers.

Qualifying Texas residents may receive funding starting at \$500 but not exceed \$2,500, for any eligible student per semester. Full-time and part-time students may be eligible on a need-based basis. Please complete the application below to check your eligibility for the funds. Funding is limited to tuition and fees.

## QUESTIONS?

For specific course or program information, please call:

- **409-933-8285** – Public Service Careers
- **409-933-8461** – Lifelong Learning Center
- **409-933-8645** – COM Learning Center – Allied Health
- **409-933-8162** – Gulf Coast Safety Institute
- **409-933-8406** – Industrial Crafts

For any questions about programs or courses, call

**409-933-8586**

or email us at [ContEd@com.edu](mailto:ContEd@com.edu).

The CE office staff will be happy to assist you or direct your call to the appropriate department.

## REGISTRATION IS EASY

SPRING 2022 REGISTRATION FOR ALL CE AND LIFELONG LEARNING PROGRAM COURSES BEGINS DECEMBER 6, 2021.

To get started, please visit [www.com.edu/ce/register](http://www.com.edu/ce/register) to complete the registration form online. Continuing Education course registration will no longer take place in Webadvisor.

### REGISTER ONLINE

**[www.com.edu/ce](http://www.com.edu/ce)**

- Click "Register Now"
- Follow the instructions for setting up a new account or log into your existing account

### CALL TO REGISTER OR REGISTER IN PERSON.

Office hours are Monday -Tuesday 8 a.m.-7:00 p.m. and Wednesday- Friday 8 a.m.-5:00 p.m.

#### CALL

**409-933-8586**  
or **1-888-258-8859, ext. 8586**

Leave a message, and a CE representative will return your call within 24 business hours.

#### VISIT

The Continuing Education Office is located in the Technical Vocational Building, Room TVB 1475. Tuition and fees must be paid upon registration. Credit and debit cards are accepted at the office. **No cash, checks, money orders or American Express will be accepted.**

### PAYMENT OF FEES AND TUITION

⊕ All tuition and fees must be paid at the time of registration. We accept VISA, MasterCard and Discover.

**No cash, checks, money orders or American Express will be accepted. See page 3 for ⊕ financial assistance.**

### 50 PLUS (AGE 50 AND OVER DISCOUNT)

Students, age 50 or older, pay just 50 percent of the tuition on selected classes. Discounts are not applied to technology and supply fees. Look for the symbol next to courses in this catalog.

### OVERLAY COURSES

Overlay courses are offered as credit (SCH) and non-credit (CEU) courses. Continuing Education students registered for an overlay course (CEU) will attend courses alongside degree-seeking students. CEU students will not receive credit for the overlay course and will not be able to petition for credit at any time.

### BOOKS AND SUPPLIES

If books and supplies are required, they are not included in the tuition cost unless indicated in the course description. The student may purchase textbooks needed for Continuing Education classes through the provider of their choice as providers may include, but are not limited to, College of the Mainland Campus bookstore (located in the Student Center of the Main Campus), at [www.combookstore.com](http://www.combookstore.com), Internet providers, publishers, or area bookstore retailers. Some courses require a supply fee payable at the time of registration.

### CLASS CANCELLATIONS

Classes with insufficient enrollment are canceled before the start of the class. Students will be contacted when a class is canceled due to low enrollment and receive a 100 percent refund will be processed automatically back to the original payment method.

**Help avoid class cancellations by registering at least five days before the course start date.**

### REFUND POLICY

Refunds for fitness memberships and continuing education tuition and fees will be 100 percent refunded before the first day of class. Refund requests may be made in person or by phone (409-933-8586). Refund requests must be received during regular business hours at least one business day before the calendar start date of the class. Upon registration, you must acknowledge and agree to the refund policy before payment is processed. Some courses have specialized refund policies with registration deadlines.

### CLASS TRANSFERS

Students may request to transfer to a different class or section prior to the first class of the course for which the student is registered. One hundred percent of tuition already paid will be applied to the new course(s). Any additional tuition that is due must be paid when the transfer is processed. Any tuition due to the student for a course transfer that results in a lower tuition amount will be refunded to the original form of payment.

### MINIMUM AGE REQUIREMENTS

Any adult 18 years of age or older, or an individual between the ages of 16 and 18 who has officially withdrawn from high school, can enroll in CE courses. Select courses may require students to be at least 21 years old. High school students, 16 years of age or older, can enroll under the COM concurrent enrollment policy with approval from appropriate public school officials. Students who are 13-15 years old may be permitted to enroll in CE courses that are not funded by the state, provided that a legal guardian registers in the same class and attends all classes with the student.

### AUDITING

Continuing Education classes may not be audited.

### RECORD OF ACHIEVEMENT: CEUS

Continuing Education Units (CEUs) are nationally recognized to record satisfactory completion of certain approved occupation-related programs. One CEU is awarded for every 10 contact hours of instruction included in a specified continuing education class or activity. Successful completion is attendance-based unless otherwise noted. Ninety percent attendance is required for the successful completion of most courses. Some classes require 100 percent attendance. Beginning October 18, all transcript requests will be fulfilled through the National Student Clearinghouse. Service fees may apply. Reprints of CE certificates are available for \$5.

## FINANCIAL ASSISTANCE

### HAZLEWOOD ACT/LEGACY PROGRAM

College of the Mainland may waive tuition and some fees for Texas veterans, and their spouses and eligible children, who are no longer eligible under VA education benefits, were honorably discharged from the military after serving at least 180 days, entered the service with Texas as their home of record and have resided in Texas for at least 12 months prior to their registration date. Application procedures are as follows: The veteran/eligible spouse or child must provide proof of eligibility or ineligibility for GI/Montgomery benefits (Chapter 31, 33/Post 911) by requesting an education benefits letter from the VA office in Muskogee, Oklahoma, at 888-442-4551 or [www.gibill.va.gov](http://www.gibill.va.gov), provide a copy of the DD-214 and submit the appropriate Hazlewood Application (HE-V) and/or (HE-D) and required documentation to the Student Financial Aid/Veteran Affairs Office. Visit [www.com.edu](http://www.com.edu) and select Student Financial Services for more information, or call the Student Financial Services/Veteran Affairs Office at 409-933-8274 or 1-888-258-8859, ext. 8274.

### HIGHER EDUCATION EMERGENCY RELIEF FUND (HEERF)

Students that have previously been awarded CARES Act Funds are eligible to receive funds each semester that they are enrolled if funds are available. Learn more about "Continuing Education Grants" at <https://www.com.edu/financial-aid/grants/ce-grants.html>

### TEXAS PUBLIC EDUCATION GRANTS (TPEG)

Grants are available, based on need, to individuals who want to take occupation-related courses. Grants may be used for tuition only. TPEG-eligible programs are identified on page 5. Applications for TPEG assistance should be submitted at least two weeks before the class start date. Applicants must complete the FAFSA, the COM Financial Aid Application and the TPEG Noncredit Application. Contact the Continuing Education Office at 409-933-8586 for more information.

### TEXAS RESKILLING GRANT

The Texas Reskilling Grant provides financial aid for qualifying students affected by COVID-19 who would like to earn an Occupational Skills Award, return to finish their program, attain the next level of credential, or displaced workers needing new training. Funds are available for eight programs that all lead to in-demand careers. Apply today at <https://www.com.edu/financial-aid/grants/>

### WORKFORCE INNOVATION AND OPPORTUNITY ACT (WIOA)

College of the Mainland is an approved vendor of the Gulf Coast Workforce Development Board and Houston-Galveston Area Council to provide vocational training for eligible participants in workforce programs under the federally funded Workforce Investment Act (WIA). Participants qualifying for programs funded under WIA receive free tuition, fees, books and possibly uniforms, tools and financial assistance with transportation and childcare. Applicants may apply for services under the WIOA through their local Gulf Coast Careers office. Currently approved programs include CNC Machinist, HVAC, Industrial Pipefitting, Manual Machinist, Mechanical Maintenance Technician, Welding, Electrical, and Instrumentation Programs. For more information on WIOA, please call 409-933-8586.

## GENERAL INFORMATION

### COLLEGE CALENDAR

In accordance with the approved College calendar, the college will be closed:

- December 13-January 2, 2022
- January 17, 2022
- March 14-20, 2022
- April 15-17, 2022
- May 30, 2022

### PHOTO AND VIDEO POLICY

COM's Marketing and Communications Department takes photographs (still and video) of students throughout the year. These photographs and videos often include students in classrooms, study areas, at events, etc. COM reserves the right to use these photographs and video as a part of its publicity and marketing efforts. Students who enroll at COM do so with the understanding that these photographs and videos might be used in College publications, both printed and electronic, for recruiting and advertising purposes.

### PARKING

Parking permits are mandatory at no cost. Parking permits are required to be displayed on the rear window, lower left side. Students will fill out a brief application and need their vehicle license plate number(s) and VIN # (vehicle identification number). To expedite obtaining a parking permit, students should visit WebAdvisor and enter their vehicle information. Students will need to provide the admissions staff with their student ID number and will then be issued a parking permit.

1. No parking in a "no parking zone"
2. No parking against traffic or backing into a parking space in parking lots (A), (B), and (C)
3. Must park within marked spaces
4. No driving against the flow of traffic
5. No unauthorized parking in handicap spaces
6. No driving/parking on non-roadways (i.e., sidewalks and grass)

### TOBACCO-FREE ENVIRONMENT

All College of the Mainland campuses are tobacco-free facilities. In addition, COM has a zero-tolerance policy for alcohol on campus.

### STUDENT RECORD PRIVACY POLICY

College of the Mainland complies with the provisions of the Family Educational Rights and Privacy Act (Buckley Amendment of 1974, Public Law 90-247, as amended) and any regulations that may be promulgated therein. The College permits a student to inspect his or her own records and limits disclosure to others if a student has not been granted access by prior written consent. No student record, demographics, or schedule information will be shared with anyone over the phone or with any third party.

## ABBREVIATIONS USED IN THIS SCHEDULE

ADM	Administration and Enrollment Center
IND	Industrial Education Building (formerly AUD building)
CE	Continuing Education
CL	Face-to-face classroom course
COM	College of the Mainland
COS	Cosmetology Gulfway Plaza
FAB	Fine Arts Building
FIR	Firing Range
GCSI	Gulf Coast Safety Institute
HY	Hybrid course (50-85 percent online and 15 to 50 percent in the classroom)
IN	Internet course
LGC	League City Facility
LRC	Learning Resources Center (Library)
CCC	COM City Centre
OLW	Online Learner Workshop
OSA	Occupational Skills Award
PSC	Public Service Careers Building
SC	Student Center
SCI	Science/Math Building
STEM	STEAM Building
SYN	Synonym-unique identifying number
TBA	To Be Announced
TVB	Technical-Vocational Building
WIOA	Workforce Innovation and Opportunity Act

## INTERNET OR HYBRID CLASSES

Students enrolling in Internet (IN) courses will be charged a \$35 distance education fee per course; students enrolling in hybrid (HY) courses will be charged a \$25 distance education fee per course.

## COM ALERT

College of the Mainland uses a rapid notification system called COM Alert to send text, voice, and/or email messages for unscheduled school closings and other emergencies. Student and employee contact information provided during registration is automatically loaded into the system and updated every night. Because of this, students are encouraged to provide a cellphone number as their primary contact phone number. Individuals may update their default contact information through the office where they registered for classes. In addition to the automated process, anyone, including non-student family and community members, may create a COM Alert account by visiting <https://comalert.bbcportal.com/>. This type of account is managed independently from the automatic uploads and allows for multiple contact phone numbers to be provided.

## TAX CREDIT

Continuing education tuition is not the same as credit tuition and cannot be reported on a 1098T form. The IRS does allow a tax credit for tuition, fees and books for CE courses relating to workforce training and improving job skills but does not allow the credit for hobby and other general lifelong-learning courses. To claim the credit on your taxes, save a copy of your registration and

bookstore receipts and complete IRS form 8863 with your tax return.

## CAMPUS CARRY

As of August 1, 2017, Texas community colleges are required to comply with Senate Bill 11, commonly known as the "campus carry" bill. Individuals holding a license to carry (LTC), formerly concealed handgun license, will have the legal right to carry a concealed handgun onto community college campuses; however, openly carrying a firearm on a college campus is illegal. Please take note that storing handguns in personal vehicles on campus is allowed. A license holder may carry a concealed handgun on or about their person while on College District property or in any buildings or properties owned, leased, or rented by the College District except in areas that have been deemed gun-free zones under this policy. For further information about gun-free zone locations, Campus Carry policy, and campus safety, please see the following link, <http://www.com.edu/campus-safety-and-security>.

This policy applies to faculty, staff, students, visitors, and individuals and organizations doing business on behalf of the College District or while on the College District premises or properties owned, leased, or rented by College District. In accordance with the law, this policy shall not apply to commissioned peace officers.

## BACTERIAL MENINGITIS VACCINATION REQUIREMENT

The 82nd Texas Legislature approved Senate Bill 1107, requiring all new COM students under age 22 to submit evidence of being immunized against meningococcal meningitis. CE students younger than 22 years old will be required to show proof of having the bacterial meningitis vaccine if they are enrolling in CE courses or programs with 360 hours or more. Proof of the vaccination must be provided to the Office of Admissions 10 days before the first day of class.

## FINANCIAL AID INFORMATION

See page 3 for more information about possible financial aid sources.

**REGISTRATION FOR SPRING 2022  
BEGINS DECEMBER 6, 2021**

## A Word About Waiting to Register...

Each class has a minimum enrollment. Once that minimum is reached, the class has "made." Find a class you like, and encourage a friend to join you! Sometimes two or three people can make a difference between having a course "make" or be canceled.

# WORKFORCE PROGRAMS

## MASSAGE THERAPY

### MASSAGE THERAPIST

Call 409-933-8114 for details.

Complete the required 500 clock hours mandated by the Texas Department of Licensing and Registration (TDLR) to prepare to enter the health care service industry in one year through our hands-on labs and classes. Massage therapists manipulate the soft tissue of one's body by hand or through a mechanical or electrical apparatus for therapeutic purposes. Upon completing the program and clock hours, you will take the Texas State Board Exam for licensure. A licensed massage therapist works in an array of settings, such as spas, franchised clinics, physicians' offices, hotels, cruise ships and fitness centers. Some massage therapists also travel to clients' homes or offices to give a massage. Employment of massage therapists is projected to grow 32 percent from 2020-2030, much faster than the average for all occupations. The mean hourly wage is \$20.97 per hour. (Source: Bureau of Labor Statistics) Financial Aid is available through COM Student Financial Services. Students under the age of 22 must show proof of having a Bacterial Meningitis vaccine.

#### Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: <https://www.tdlr.texas.gov/mas/mas.htm>

Should you wish to request a review of the impact of criminal history on your potential Massage Therapy Certificate prior to or during your quest for a certificate, you can visit this link and request a "Criminal History Evaluation": <https://www.tdlr.texas.gov/misc/evaluation/MAS-Therapist-or-Instructor.pdf>. **To be eligible for licensure, you must successfully pass a criminal history background check which includes fingerprinting.**

House Bill 2059, which passed during the 86th Legislative Session, requires certain health care practitioners who provide direct client care to complete a Health and Human Services Commission (HHSC)-approved human trafficking prevention training course in order to renew their license. **Beginning September 1, 2020, licensees must comply with the training requirement each time they renew.** For more information, please visit TDLR's Human Trafficking Prevention Training for Health Care Practitioners web page. <https://www.tdlr.texas.gov/humantraffickingtraining.htm>

Course #	Title	Hrs
<b>MSSG 1011</b>	<b>Massage Therapy Fundamentals I</b> Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency-requisite: MSSG 1013, MSSG 1009, MSSG1011, MSSG 2013, MSSG 2014, MSSG 2011, MSSG 1005, and MSSG 1007, and MSSG1005; Co-requisite MSSG 100.	<b>96</b>
<b>MSSG 2013</b>	<b>Kinesiology for Massage</b> This course is an applied study of human kinesiology. Muscle movements and dysfunctions will be discussed and palpated. Theory and practice of functional muscle testing will also be discussed. Pre-requisite: MSSG 1013, MSSG 1009; MSSG 1011; Co-requisite: MSSG 2014	<b>64</b>
<b>MSSG 2014</b>	<b>Pathology for Massage</b> This course is a general discussion of pathologies as they relate to massage therapy and includes universal precautions and their management in professional practice. Etiology, signs, symptoms, and the physiological and psychological reactions to disease and injury will also be discussed. 5:00 PM - 10:00 PM	Cosmetology Bldg.	Faculty

#### HYDROTHERAPY/THERAPEUTIC MODALITIES – 35 HRS

Students will learn the use of accepted hydrotherapy and holistic healthcare modalities of external application of temperature for its reflexive effect. Pre-requisite: MSSG 1013, MSSG 1009; MSSG 1011; MSSG 2013; MSSG 2014; Co-requisite MSSG 2011

##### Cost: \$255

CID: 172, MSSG-1005	7/11/2022 - 8/1/2022	MW
5:00 PM - 10:00 PM	Cosmetology Bldg.	Faculty

#### MESSAGE THERAPY INTERNSHIP – 50 HRS

This course is a general discussion of pathologies as they relate to massage therapy and includes universal precautions and their management in professional practice. Pre-requisite: MSSG 1013, MSSG 1009; MSSG 1011; MSSG 2013; MSSG 2014; MSSG 2011; MSSG 1005; Co-requisite MSSG 1007

##### Cost: \$405

CID: 173, MSSG-2086	6/9/2022 - 8/11/2022	TH
5:00 PM - 10:00 PM	Cosmetology Bldg.	Faculty

### COSMETOLOGY TO BARBER CROSSOVER

The Cosmetology to Barber Crossover Award is designed to provide education to currently licensed Cosmetologists who would like to have a Dual License in Barber and Cosmetology. This is a 300-clock hour program covering the required areas of study in Barbering needed for dual license. This program is only for licensed Cosmetologists and cannot be taken by beginner students or Barbers.

Course #	Title	Hrs
<b>BARB 1004</b>	<b>Introduction to Barber Styling</b> Basic techniques for hair cutting. Introduction to the related skills of shampooing and treatments, and of trimming beards and mustaches.	<b>144</b>
<b>BARB 2031</b>	<b>Advanced Barber Styling I</b> Advanced skills in all areas of haircutting, hairstyling, and skincare. Introduction to hair coloring techniques.	<b>160</b>
<b>TOTAL HOURS</b>		<b>304</b>

### INTRODUCTION TO BARBER STYLING – 144 HRS

**Cost: \$949**

CID: 165, BARB-1004 1/18/2022 - 4/27/2022 TW  
5:00 PM - 10:00 PM Cosmetology Bldg. Faculty

### ADVANCED BARBER STYLING I – 160 HRS

**Cost: \$1068**

CID: 166, BARB-2031 5/3/2022 - 8/17/2022 TW  
5:00 PM - 10:00 PM Cosmetology Bldg. Faculty

## ALLIED HEALTH CAREERS

### CERTIFIED NURSE AIDE

An approved application is required prior to registration.  
Email [CEAlliedhealth@com.edu](mailto:CEAlliedhealth@com.edu) for details and approval.

A vital part of the health care field, certified nurse aides provide compassionate basic care for patients. This program trains nurse aides in classes and clinicals to work in hospitals and long-term care facilities. The average hourly wage for certified nurse aides is \$14.82. Between 2019-2029, the need for certified nurse aides is projected to grow by 8 percent. (Source: Bureau of Labor Statistics) Students will be charged an additional \$25 fee for each hybrid course. Additional requirements and program application for the Certified Nurse Aide certificate program is only available online at <https://www.com.edu/ce/allied-health/certified-nurse-aide-certificate.html#AdditionalProgramInfo>

#### Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. The following website provides links to information about the licensing process and requirements: <https://hhs.texas.gov/doing-business-hhs/licensing-credentialing-regulation>

Should you wish to request a review of the impact of criminal history on your potential licensure prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation": <https://records.txdps.state.tx.us/DpsWebsite/CriminalHistory/> and compare it to the requirements for CNA's here: <https://hhs.texas.gov/doing-business-hhs/licensing-credentialing-regulation>

This information is being provided to all persons who apply or enroll

in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Course #	Title	Hrs
<b>NURA 1001</b>	<b>Nurse Aide for Health Care I</b> This course prepares entry-level nursing aides to gain the knowledge, skills and abilities to provide basic care to hospital patients and residents of long-term care facilities. Students must enroll concurrently in Nurse Aide Clinicals (NURA-1060) to complete the Certified Nursing Aide (CNA) Program.	<b>78</b>
<b>NURA 1060</b>	<b>Nurse Aide for Health Care II</b> Clinical experiences are unpaid, external learning experiences. Students must enroll concurrently in Nurse Aide for Health Care I (NURA-1001) to complete the COM Certified Nursing Aide Program. Tuition includes malpractice insurance and the state exam fee.	<b>40</b>
<b>TOTAL HOURS</b>		<b>118</b>

State certification: Students successfully completing these courses will be prepared to take the state exam. Students will also complete the Healthcare Provider CPR certification. Students will be required to purchase supplies needed for program participation. A complete list of supplies will be available the first day of class; the estimated cost of supplies is \$65.

### NURSE AIDE FOR HEALTHCARE I – 78 HRS

This course is preparation for entry-level nursing assistants to achieve the level of knowledge, skills, and abilities needed to provide basic care to residents of long-term care facilities. Students must enroll concurrently in Nurse Aide Clinicals (NURA-1060) to complete the Certified Nursing Assistant Program. Tuition includes Healthcare Provider CPR certification. A completed and approved application, which must be submitted online <https://www.com.edu/ce/allied-health/certified-nurse-aide-certificate.html#AdditionalProgramInfo> is required prior to registration.

**Cost: \$957**

CID: 123, NURA-1001	1/31/2022 - 3/10/2022	MTWTH
1:00 PM - 4:15 PM	Steam Bldg. #22, RM 247	Faculty
CID: 115, NURA-1001	2/28/2022 - 4/7/2022	MTWTH
5:30 PM - 9:25 PM	Steam Bldg. #22, RM 247	Faculty

## DENTAL ASSISTANT Occupational Skills Award

An approved application is required prior to registration.  
Email CEAlliedhealth@com.edu for details and approval.

Through hands-on labs and classes, this program trains students to work as dental assistants, a rapidly growing branch of the health care field. Dental assistants perform a variety of tasks in dental offices, from patient care to record keeping. The average hourly wage for dental assistant is \$19.80. Between 2020-2030, the need for dental assistants is projected to grow 11 percent. (Source: Bureau of Labor Statistics)

### Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. NOTE: Criminal history checks are required for clinical experience purposes.

Should you wish to request a review of the impact of criminal history on your potential licensure prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation": <https://records.txdps.state.tx.us/DpsWebsite/CriminalHistory/>

This information is being provided to all persons who apply or enroll in the program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Course #	Title	Hrs
<b>DNTA 1015</b>	<b>Dental Chairside Assisting</b> This course will cover pre-clinical chairside assisting procedures, instrumentation and OSHA and other regulatory agencies' standards. Students will practice equipment safety, select armamentarium for introductory dental skills, implement infection and hazard control protocol, perform equipment maintenance, and demonstrate specific pre-clinical chairside assisting procedures.	<b>82</b>
<b>DNTA 1003</b>	<b>Registered Dental Assisting Exam Review</b> This course prepares dental assistants to meet Texas State Board of Dental Examiners	<b>16</b>

examination requirements. It includes a review of radiology, infection control and jurisprudence. This course prepares the student to take the state of Texas Registered Dental Assistant Exam.

### DNTA 1060

### Clinical Dental Assisting

100

This course will cover a health-related, work-based learning experience that enables the student to apply specialized occupational theory, skills and concepts. The clinical professional provides direct supervision.

### TOTAL HOURS

198

State certification: Students successfully completing these courses will be prepared to take the Texas Registered Dental Assistant Exam. There are also external lab experiences which will take place on (6) Saturdays from 9am-1pm at a local dental office (offsite) and will be scheduled by the instructor on the first day of class.

## DENTAL CHAIRSIDE ASSISTING – 82 HRS

This course will cover the pre-clinical chairside assisting procedures, instrumentation, OSHA and other regulatory agencies standards. Students will select armamentarium for introductory dental skills, implement infection and hazard control protocol, practice equipment safety, perform equipment maintenance, and demonstrate specific pre-clinical chairside assisting procedures.

### Cost: \$1085

CID: 156, DNTA-1015	2/8/2022 - 4/30/2022	TTH
9:00 AM - 12:00 PM	Steam Bldg. #22, RM 218	Faculty

## REGISTERED DENTAL ASSISTANT EXAM REVIEW – 16 HRS

Preparation for Dental Assistants to meet Texas State Board of Dental Examiners (TSBDE) examination requirements. Includes review of radiology, infection control, and jurisprudence.

### Cost: \$190

CID: 157, DNTA-1003	4/14/2022 - 4/28/2022	TH
9:00 AM - 12:00 PM	Steam Bldg. #22, RM 218	Faculty

## CLINICAL DENTAL ASSISTANT – 100 HRS

This course will cover a health-related work-based learning experience that enables the student to apply specialized occupational theory, skills, and concepts. Direct supervision is provided by the clinical professional.

### Cost: \$71

CID: 161, DNTA-1060	5/9/2022 - 6/30/2022	MTWTHF
8:00 AM - 5:00 PM		Faculty

## ELECTROCARDIOGRAPHY (EKG) TECHNICIAN

An approved application is required prior to registration.  
Prerequisite: A high school diploma or GED and previous healthcare experience or certification  
Email CEAlliedHealth@com.edu for details and approval.

This program trains students to become EKG technicians, a key part of the medical team. EKG technicians prepare patients

for an EKG by attaching electrodes to patient's arms, legs and chest. They also operate EKG machines while monitoring, interpreting and documenting patients' results, and they maintain and troubleshoot technical problems with EKG machines. EKG technicians work in health clinics, hospitals, and medical offices. Between 2018-2028, the need for EKG technicians is projected to grow 17.5 percent. The mean hourly wage is \$29.30. (Source: Bureau of Labor Statistics)

#### Notice to Students Regarding Licensing

Effective September 1, 2017, HB 1508 amends the Texas Occupations Code Section 53 that requires education providers to notify potential or enrolled students that a criminal history may make them ineligible for an occupational license upon program completion. NOTE: Criminal history checks are required for clinical experience purposes.

Should you wish to request a review of the impact of criminal history on your potential licensure prior to or during your quest for a degree, you can visit this link and request a "Criminal History Evaluation": <https://www.precheck.com/>

This information is being provided to all persons who apply or enroll in a CE WORKFORCE program, with notice of the requirements as described above, regardless of whether or not the person has been convicted of a criminal offense. Additionally, HB 1508 authorizes licensing agencies to require reimbursements when a student fails to receive the required notice.

Course #	Title	Hrs
<b>ECRD 1011</b>	<b>Electrocardiography and Telemetry Monitoring</b>	<b>64</b>
	This introductory course is designed to teach the fundamentals of cardiovascular anatomy and physiology. Topics include basic electrocardiography procedures, interpretation of basic dysrhythmias and appropriate treatment modalities. Additional topics include an understanding of the heart and the implications of decreased cardiac output and its application in interpreting electrical activity. It also emphasizes the recognition of common and potentially lethal dysrhythmias.	
<b>EMSP 1050</b>	<b>Introduction to 12-lead ECG Interpretation Telemetry Monitoring</b>	<b>21</b>
	The course will cover the interpretation of 12-lead electrocardiograms (ECGs) to identify dysrhythmias, axis deviation and myocardial ischemia, injury and infarction. It will discuss the clinical significance of abnormalities.	
<b>TOTAL HOURS</b>		<b>85</b>

National certification: Students successfully completing these courses will be prepared to take the national exam given by National Healthcareer Association (NHA).

#### ELECTROCARDIOGRAPHY – 64 HRS

This introductory course is designed to teach the fundamentals of cardiovascular anatomy and physiology. Topics include basic electrocardiography procedures, interpretation of basic dysrhythmias, and appropriate treatment modalities. A completed and approved application, which must be submitted online <https://www.com.edu/ce/allied-health/certified-nurse-aide-certificate.html#AdditionalProgramInfo> is required prior to registration. Contact Lindsey Sheridan 409-933-8635 for application and approval.

#### Cost: \$944

CID: 107, ECRD-1011 1/27/2022 - 4/7/2022 TH  
6:00 PM - 9:15 PM Steam Bldg. #22, RM 244 Dinh

#### INTRODUCTION TO 12-LEAD ECG I – 21 HRS

The course will cover the interpretation of 12-lead electrocardiograms (ECGs) to identify dysrhythmias, axis deviation and myocardial ischemia, injury and infarction. It will discuss the clinical significance of abnormalities.

#### Cost: \$236

CID: 109, EMSP-1050 4/12/2022 - 5/3/2022 TTH  
6:00 PM - 9:00 PM Steam Bldg. #22, RM 244 Dinh

### MEDICAL OFFICE/INSURANCE SPECIALIST

Prerequisite: A high school diploma or GED

Email [CEAlliedHealth@com.edu](mailto:CEAlliedHealth@com.edu) for details.

Prepare to enter the medical field in one semester with the Medical Office/Insurance Specialist. These courses prepare students to obtain entry-level administrative positions in health care settings and provides a solid foundation for those wanting to continue their studies to become health information technicians. Between 2018-2028, this field is projected to grow 19 percent, much faster than the average for all occupations. The mean hourly wage is \$21.20. (Source: Bureau of Labor Statistics)

Course #	Title	Hrs
<b>MDCA 1000</b>	<b>Medical Office</b>	<b>24</b>
	This course will provide students with an introduction to medical office operations, equipment, procedures and human relations skills.	
<b>MDCA 1043</b>	<b>Medical Insurance Specialist</b>	<b>108</b>
	This course emphasizes medical office coding for payment and reimbursement by patient or third-party payers for ambulatory care settings.	
<b>TOTAL HOURS</b>		<b>132</b>

National Certification: Students successfully completed MDCA 1000 and MDCA 1043 will be prepared to take the Certified Billing and Coding Specialist exam offered through NHA (National Healthcareers Association).

#### MEDICAL OFFICE – 24 HRS

This course will provide students with an introduce to medical office operations, equipment, procedures, and human relations skills.

#### Cost: \$275

CID: 108, MDCA-1000 1/25/2022 - 2/8/2022 T  
6:00 PM - 9:30 PM Steam Bldg. #22, RM 235 McClendon

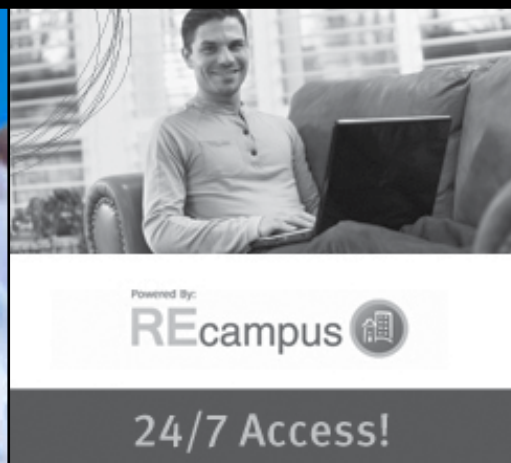

#### MEDICAL INSURANCE SPECIALIST – 108 HRS

This course emphasizes medical office coding for payment and reimbursement by patient or third party payers for ambulatory care settings.

#### Cost: \$1513

CID: 110, MDCA-1043 2/15/2022 - 5/17/2022 T  
6:00 PM - 9:30 PM Steam Bldg. #22, RM 235 McClendon

# FAST-TRACK ONLINE REAL ESTATE PROGRAM

Students in this program prepare for careers as real estate agents. Classes are available online in partnership with REcampus at <https://portal.recampus.com/re/mainland>. The Texas Real Estate Commission requires students to complete 180 class hours before taking the Texas Real Estate Salesperson Exam. Six courses are mandatory: Real Estate Principles I, Real Estate Principles II, Real Estate Law of Agency, Real Estate Law of Contracts, Real Estate Finance and Texas Real Estate Promulgated Contracts and Forms. The cost is \$155 plus tax for each required course. Students have six months to complete each required course. Test will be proctored online.

## REAL ESTATE

Course #	Title	Hrs
<b>RELE 1002</b>	<b>Real Estate Principles I</b> This course is an overview of licensing as a real estate broker or salesperson in Texas. Includes ethics of practice as a license holder; titles to and conveyance of real estate; legal descriptions, deeds, encumbrances and liens; distinctions between personal and real property; appraisal, finance and regulations; closing procedures; and real estate mathematics. Covers at least three hours of classroom instruction on federal, state, and local laws relating to housing discrimination, housing credit discrimination, and community reinvestment. Fulfills at least 30 of 60 hours of required instruction for salesperson license.	<b>30</b>

<b>RELE 1039</b>	<b>Real Estate Principles II</b> A continuing overview of licensing as a broker or salesperson in Texas. Includes ethics of practice as a license holder, titles to and conveyance of real estate, legal descriptions, deeds, encumbrances and liens, distinctions between personal and real property, appraisal, finance and regulations, closing procedures, and real estate mathematics. Covers at least three hours of classroom instruction on federal, state, and local laws relating to housing, discrimination, housing credit discrimination, and community reinvestment. Fulfills at least 30 of 60 hours of required instruction for salesperson license.	<b>30</b>
<b>RELE 2002</b>	<b>Real Estate Law of Agency</b> This course is the study of law of agency including principal-agent and master-servant relationships, the authority of an agent, the termination of an agent's authority, the fiduciary and other duties of an agent, employment law, deceptive trade practices, listing or buying representation procedures, and the disclosure of an agency.	<b>30</b>
<b>RELE 1012</b>	<b>Real Estate Law of Contracts</b> This course studies the elements of a contract, offer and acceptance, statute of frauds, specific performance and remedies for breach, unauthorized practice of law, commission rules relating to use of adopted forms, and owner disclosure requirements.	<b>30</b>

<https://portal.recampus.com/re/mainland>

## REAL ESTATE DISCLAIMER

Students enrolling in Real Estate education courses having a criminal history, may be ineligible for the license they seek. Students may request a criminal history evaluation prior to enrolling in courses or applying for a real estate, inspector or appraiser license. Students who are potential applicants may request a criminal history evaluation, by submitting a completed Moral Character Determination Form to the Texas Real Estate Commission prior to applying for a license. Students should refer to the criminal history eligibility guidelines set out in Texas Occupations Code §53.025 and TREC Rule 541.1.

<b>RELE 1020</b>	<b>Real Estate Finance</b>	<b>30</b>
This course provides an overview of the U.S. monetary system, primary and secondary money markets, sources of mortgage loans, federal government programs, loan applications, processes and procedures, closing costs, alternative financial instruments, equal credit opportunity laws affecting mortgage lending, Community Reinvestment Act, and the State Housing Agency. The textbook can be purchased online. The textbook can be purchased online.		

<b>RELE 1010</b>	<b>Real Estate Promulgated Contracts and Forms</b>	<b>30</b>
This course studies legal concepts of real estate, land description, real property rights, estates in land, contracts, conveyances, encumbrances, foreclosures, recording procedures, and evidence of title. This course was designed to be repeated multiple times to improve student proficiencies.		
<b>TOTAL HOURS</b>		<b>180</b>
State certification: Students successfully completing these courses will be prepared to take the Texas Real Estate Salesperson Exam.		

## INDUSTRIAL TRADE CAREERS

### Heating, Ventilation and Air Conditioning Occupational Skills Award

#### REQUIRED COURSE SEQUENCE

Select classes will be offered each semester  
Textbooks are not included in course cost.

COM's Heating, Ventilation and Air-Conditioning Program prepares students for a successful career as an HVAC technician and/or installer through hands-on training. HVAC technicians work with systems in commercial offices, industrial complexes, manufacturing plants, schools, hospitals, hotels, restaurants and residential homes. The need for qualified HVAC technicians and installers in the Gulf Coast Region is anticipated to grow 24 percent from 2019-2029. The median hourly wage is \$24.32, with entry-level positions starting below that rate (Source: Bureau of Labor Statistics, 2019). Financial assistance is available.

Course #	Title	Hrs
<b>HART 1001</b>	<b>Basic Electricity for HVAC</b>	<b>48</b>
This course is a study of the fundamental principles of electricity as required for the heating, ventilation and air conditioning trade. Students will demonstrate the proper use of test equipment,		

electrical circuits, and component theory and operation. They will apply electrical calculations and demonstrate electrical safety. Students will receive an OSHA 10 credential.

Required Textbook ISBN: 978-1-63-126354-5  
Required Workbook ISBN: 978-1-63-126355-2

<b>HART 1038</b>	<b>Air-Conditioning, Level I</b>	<b>96</b>
This course is a study of HVAC principles, terminology, tools and skills. Students will identify and demonstrate use of tools for HVAC, perform brazing and soldering operations, and apply trade mathematics. Prerequisite: HART-1001 Required Textbook ISBN: 978-1-63-126354-5		
<b>HART 1005</b>	<b>Air-Conditioning, Level II</b>	<b>96</b>
This course is a study of practical application of air-conditioning principles, including air properties, maintenance operations, thermodynamics and compressors. Prerequisites: HART-1001, HART 1038 Required Textbook ISBN: 978-1-63-126354-5		
<b>HART 2036</b>	<b>Air-Conditioning, Level III</b>	<b>48</b>
This course is an advanced study of troubleshooting principles. Students will demonstrate the use of test equipment to conduct performance tests and diagnose problems		

in air-conditioning and refrigeration systems.  
Prerequisites: HART-1001, HART 1038, HART 1005  
Required Textbook ISBN: 978-1-63-126354-5

#### **HART 1043 EPA Course and Test 10**

This course covers Section 608 of the Federal Clean Air Act of 1990. Students will receive intensive training in the required areas in preparation for the certification exam. The certification exam is included. Prerequisites: HART-1001, HART 1038, HART 1005

**TOTAL HOURS 298**

#### **BASIC ELECTRICITY FOR HVAC – 48 HRS**

This course is a study of the fundamental principles of electricity as required for the heating, ventilation and air-conditioning trade. Students will demonstrate the proper use of test equipment, electrical circuits, and component theory and operation. They will apply electrical calculations and demonstrate electrical safety.

**Cost: \$445**

CID: 203, HART-1001 1/11/2022 - 2/17/2022 TTH  
6:00 PM - 10:00 PM Gulf Coast Safety Institute, RM 119 Painter

**Cost: \$445**

CID: 205, HART-1001 1/24/2022 - 2/9/2022 MWF  
9:00 AM - 3:00 PM Gulf Coast Safety Institute, RM 119 Painter

#### **AIR-CONDITIONING, LEVEL I – 96 HRS**

This course introduces students to HVAC terminology, tools and skills. The instructor will discuss basic HVAC principles and guide students in hands-on activities.

**Cost: \$675**

## **DID YOU KNOW?**

The number of HVAC technicians needed for the Gulf Coast Region is anticipated to **grow 24% from 2019-2029** with the median salary of **\$24.32/hour** depending on skill level.

CID: 201, HART-1038	1/24/2022 - 4/20/2022	MW
6:00 PM - 10:00 PM	Gulf Coast Safety Institute, RM 117	Faculty
CID: 204, HART-1038	3/1/2022 - 5/26/2022	TTH
6:00 PM - 10:00 PM	Gulf Coast Safety Institute, RM 120	Painter
CID: 206, HART-1038	02/14/22-03/28/2022	MWF
9:00 AM - 3:00 PM	Gulf Coast Safety Institute, RM 120	Painter

#### **AIR-CONDITIONING LEVEL II – 96 HRS**

Students will discover how to apply air-conditioning principles and will learn about air properties, routine maintenance, thermodynamics and compressors. Students will learn to correctly measure AC and DC electrical circuits as well as air properties and distribution.

**Cost: \$675**

CID: 202, HART-1005 4/25/2022 - 7/20/2022 MW  
6:00 PM - 10:00 PM Gulf Coast Safety Institute, RM 118 Faculty

CID: 207, HART-1005 04/04/22-5/11/22 MWF  
9:00 AM - 3:00 PM Gulf Coast Safety Institute, RM 118 Painter

### **Electrical I Occupational Skills Award**

#### **REQUIRED COURSE SEQUENCE**

COM's NCCER Electrical Program prepares students for a successful career in an entry-level position as an Electrical helper often leading into Electrical technician careers. Electrical helpers install, operate, maintain and repair electrical wiring and control systems. Careers are available in residential, multi-dwelling, commercial environments, refineries, manufacturing, utilities and construction.

The median hourly wage is \$16.27 with entry level positions starting below that rate (Source: Bureau of Labor Statistics, 2020). Financial assistance is available.

Course #	Title	Hrs
<b>CNBT 1018</b>	<b>Electrical - NCCER Core</b> This course is a comprehensive study of NCCER Core for instrumentation students. This course introduces students to basic job site construction safety in residential, commercial and industrial construction. Students will also learn how to select and demonstrate the proper use of hand tools, portable and stationary power tools, and related construction equipment. Required Textbook ISBN: 978-0-13-413098-9	<b>64</b>
<b>ELPT 1011</b>	<b>Electrical - NCCER Level 1</b> This course is a comprehensive study of NCCER Level 1 for electrical. Students are introduced to mathematical applications used to solve problems in the electrical field. Students learn to use a calculator to perform operations involving fractions and decimals; compute percentages using ratio and proportions; convert unit values, solve simple equations, and calculate areas and volumes of geometric solids. Upon completion students will obtain credentials for NCCER Electrical Level 1. Prerequisite: CNBT-1018	<b>96</b>

<b>ELPT 1041</b>	Required Textbook ISBN: 978-0-13-473820-8 <b>Electrical - NCCER Level 2-A</b> This course is a comprehensive study of NCCER Level 2-A for electrical. Students are introduced to basic direct current (DC) theory including electron theory and direct current applications. Upon course completion, students will be able to explain atomic structure and basic electrical values such as voltage, current, resistance and power as well as summarize the principles of magnetism. Students will learn to calculate electrical values for series, parallel and combination circuits and utilize electrical measuring instruments. Prerequisite: CNBT-1018, ELPT-1011	<b>64</b>
<b>ELPT 1045</b>	Required Textbook ISBN: 978-0-13-473821-5 <b>Electrical - NCCER Electrical Level 2-B</b> This course is a comprehensive study of NCCER Level 2-B for electrical. Students will discover the different wiring methods for single-family and multi-family dwellings and learn to wire devices according to electrical codes. The course will cover load calculations, service entrance sizing, proper grounding techniques and associated safety procedures. Upon completion of the course, students will be able to compute the circuit sizes needed for the installation of circuits, feeders and conductors and demonstrate grounding methods and safe installation of ground fault circuits. Upon completion of Level 2 students will obtain credentials for NCCER Electrical Level 2. Prerequisite: CNBT-1018, ELPT-1011, ELPT-1041	<b>64</b>
<b>TOTAL HOURS</b>	Required Textbook ISBN: 978-0-13-473821-5	<b>288</b>

### NCCER CORE – ELECTRICAL – 64 HRS

In this course, students will learn about basic job site construction safety in residential, commercial and industrial construction. Students will learn about selection and use of hand tools, portable power and stationary power tools and related construction equipment. At the end of the course, students will be able to demonstrate the safe use of a variety of hand tools, portable and stationary power tools.

#### Cost: \$575

CID: 144, CNBT-1018 1/5/2022 - 3/2/2022 MW  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 006 Faculty

### NCCER ELECTRICAL LEVEL I – 96 HRS

Students will be introduced to the basic theory and practice of electrical circuits and will include instruction in calculations as applied to alternating and direct current.

#### Cost: \$675

CID: 145, ELPT-1011 3/7/2022 - 6/1/2022 MW  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 006 Faculty

### NCCER ELECTRICAL LEVEL 2-A – 64 HRS

In this course, students will learn about the operating principles of solid-state and conventional controls along with their

practical applications. Topics covered include braking, jogging, plugging, safety interlocks, wiring, and schematic diagram interpretations. At the end of the course, students will be able to identify practical applications of jogging and plugging; describe the types of motor braking and their operating principles; explain different starting methods for large motors; and demonstrate proper troubleshooting methods on circuits using wiring and schematic diagrams.

#### Cost: \$575

CID: 142, ELPT-1041 3/1/2022 - 4/28/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 006 Chambers

### NCCER ELECTRICAL LEVEL 2-B – 64 HRS

This course will introduce students to commercial wiring methods. Students will learn about overcurrent protection, proper grounding techniques, and associated safety procedures. The proper installation of wiring devices will be explained according to the National Electrical Code (NEC) and local electrical codes. At the end of the course, students will be able to demonstrate grounding methods; identify commercial wiring methods including conduit bending; and demonstrate proper safety procedures.

#### Cost: \$575

CID: 143, ELPT-1045 5/10/2022 - 6/30/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 006 Faculty

## Instrumentation I Occupational Skills Award

NCCER Core, NCCER Level 1  
COURSE SEQUENCE

COM's NCCER Instrumentation Program prepares students for a successful career in an entry-level position as an Instrumentation helper often leading into Instrumentation technician careers. Instrumentation technicians and helpers work with a wide variety of devices to measure and control pressure, temperature and flow; install and maintain instruments on new or existing equipment and processes. Careers are available in the petrochemical plants, refineries, manufacturing, utilities and construction.

The need for qualified Instrumentation technicians and helpers in the Gulf Coast Region is anticipated to grow by 10 percent (2016-2026). The median hourly wage is \$30.86, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
<b>CNBT 1018</b>	<b>Instrumentation - NCCER Core</b> This course is a comprehensive study of NCCER Core for instrumentation students. This course introduces students to basic job site construction safety in residential, commercial and industrial construction. Students will also learn how to select and demonstrate the proper use of hand tools, portable and stationary power tools, and related construction equipment. Required Textbook ISBN: 978-0-13-413098-9	<b>64</b>
<b>TECM-1001</b>	<b>Industrial Mathematics</b> This course teaches math skills applicable to industrial occupations. It includes fractions and	<b>64</b>

decimal manipulations, measurement, percentages and problem-solving techniques for equations and ratio/proportion applications. Prerequisite: CNBT-1018

Required Textbook ISBN: 978-1-33-7630580

**INTC 1007 Instrumentation - NCCER Level 1 96**

This course is a comprehensive study of NCCER Level 1 for instrumentation. In this course, students will become familiar with the theory and application of instrumentation test equipment. The course emphasizes accuracy, limitations of instruments and calibration techniques. Students will select, set up and operate test and measurement tools and equipment; analyze measurement results; identify test instrument limitations and parameters; and demonstrate proper safety procedures. Upon completion, students will obtain credentials for NCCER Level 1. Prerequisite: CNBT-1018, TECM-1001  
Required Textbook ISBN: 978-0-13-383080-4

**TOTAL HOURS 224**

### NCCER INSTRUMENTATION LEVEL I – 96 HRS

This course focuses on the theory and application of instrumentation test equipment with emphasis on the accuracy, limitations of instruments, and calibration techniques.

**Cost: \$675**

CID: 208, INTC-1007 3/21/2022 - 6/13/2022 MW  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 005/002 Faculty

### Instrumentation II Occupational Skills Award

NCCER Level 2-A, NCCER Level 2-B

Course #	Title	Hrs
----------	-------	-----

<b>INTC 1001</b>	<b>NCCER Instrumentation Level 2-A</b>	<b>96</b>
	This course is an introduction to automatic process control including measuring devices, analog and digital instrumentation, signal transmitters, recorders, alarms, controllers, control valves, and process and instrument diagrams. Topics include the connection and troubleshooting of loops. At the end of the course, students will have learned to explain pneumatic and electronic controls; connect and troubleshoot control loops; and draw process and instrument diagrams, wiring diagrams and block diagrams. Upon completion, students will obtain credentials for several modules of NCCER Instrumentation Level 2. Prerequisite: CNBT 1018, INTC 1007	

Required Textbook ISBN: 978-0-13-413101-6

<b>INTC 1025</b>	<b>NCCER Instrumentation Level 2-B</b>	<b>64</b>
------------------	--	-----------

This course trains students in the installation of instrumentation equipment into a process environment using industry standards. Students will learn to outline the general procedures for installing instrumentation and mount an assigned series of instrumentation devices. Upon completion, students will obtain credentials for completion of NCCER Instrumentation Level 2. Prerequisite: CNBT 1018, INTC 1007, INTC 1043  
Required Textbook ISBN: 978-0-13-413101-6

**TOTAL HOURS 160**

### Mechanical Maintenance Technician, Basic Occupational Skills Award

#### REQUIRED COURSE SEQUENCE

Required for Mechanical Maintenance Technician Intermediate and Advanced OSA and the Machinist OSA

Select classes will be offered each semester.

Textbooks are not included in course cost.

COM's Mechanical Maintenance Technician Program prepares students for a successful career as a mechanical maintenance technician and millwright. Mechanical maintenance technicians work in petrochemical, refineries, manufacturing, production, power plants, maritime, aerospace, hospitals, commercial facilities and machine shops.

The need for mechanical maintenance technicians and millwrights in the Gulf Coast Region is anticipated to grow by 18 percent by 2026. The median hourly wage is \$25.77, with entry-level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
----------	-------	-----

<b>INMT 1005</b>	<b>Introduction to Industrial Maintenance</b>	<b>64</b>
	This course trains students in the basic mechanical skills and repair techniques common to most fields of industrial maintenance. Topics include using precision measuring instruments and the safety rules common in industry. Required Textbook ISBN: 978-1-33-779530-2	
<b>TECM 1001</b>	<b>Industrial Mathematics</b>	<b>64</b>
	This course teaches math skills applicable to industrial occupations. It includes fraction and decimal manipulation, measurement, percentages and problem-solving techniques for equations and ratio/proportion applications. Prerequisite: INMT -1005 Required Textbook ISBN: 978-1-13-377983-10	
<b>MCHN 1002</b>	<b>Print Reading for Machine Trades and Rigging</b>	<b>64</b>
	Students will study blueprints for machining trades with an emphasis on machine drawings. Topics include identifying the elements of machine drawings; interpreting the dimensions, tolerances and geometric aspects of blueprints; explaining geometric dimensioning and tolerancing (GD&T) symbols and their meanings;	

and identifying the safety concerns associated with lifting loads; rigging a load for lifting; performing a safety check before a load is lifted; and identifying the equipment required to make a lift. Prerequisites: INMT-1005 and TECM-1001  
Required Textbook ISBN: 978-1-63-126105-3 and 978-0-13-412905-1

<b>POFT 1006</b>	<b>Job Search and Employment Skills</b>	<b>40</b>
	Students will develop the skills required to obtain and maintain a job. Topics will include standard applications for employment, interview procedures, personal appearance and attitudes, employer expectations, and employer/employee relationships." Prerequisites: INMT-1005, TECM-1001, MCHN-1002 Textbook Not Required	
<b>WLDG 1021</b>	<b>Metallurgy and Welding Fundamentals</b>	<b>64</b>
	This course is an introduction to the fundamentals of the equipment used in oxy-fuel and arc welding, including welding and cutting safety, basic oxy-fuel welding and cutting, basic arc welding processes and basic metallurgy. Prerequisite: INMT 1005, TECM 1001, MCHN-1002, POFT-1006 Required Textbook ISBN: 978-1-30-549469-5, Product# 710715	
<b>TOTAL HOURS</b>		<b>296</b>

### INTRODUCTION TO INDUSTRIAL MAINTENANCE – 64 HRS

This course trains students in the basic mechanical skills and repair techniques common to most fields of industrial maintenance. Topics include using precision measuring instruments and the safety rules common in industry.

**Cost \$575**

CID:189, INMT 1005	01/26/22-03/28/22,	MW
6:00 PM -10:00 PM	Industrial Ed., Bldg. #6, RM 12	Wall

### INDUSTRIAL MATHEMATICS – 64 HRS

This course teaches math skills applicable to industrial occupations. It includes fraction and decimal manipulation, measurement, percentages and problem-solving techniques for equations and ratio/proportion applications.

**Cost: \$575**

CID: 190, TECM-1001	4/04/22-5/25/22	MW
6:00 PM - 10:00 PM	Industrial Ed., Bldg. #6, RM 009	Hagan

## Mechanical Maintenance Technician, Intermediate Occupational Skills Award

### REQUIRED COURSE SEQUENCE

Prerequisite: Basic Mechanical Maintenance Technician OSA  
Textbooks are not included in course cost.

Course #	Title	Hrs
<b>MCHN 2005</b>	<b>Millwright III – Bearings, Seals and Couplings</b>	<b>64</b>
	This course is an introduction to bearings and seals. Topics include the identification of common bearings and seals with an emphasis on the design and installation of seals, bearings and couplings.	

Prerequisites: Basic MMT Occupational Skills Award  
Required Textbook: Product # 730733, 840843, 730734.1

<b>MCHN 2007</b>	<b>Millwright IV – Lubrication, Valves and Pumps</b>	<b>64</b>
	This course is a study in the recognition and application of various types of pumps. It will focus on troubleshooting, repairing and installing pumps. Prerequisites: MCHN-2005 Required Textbook: Product# 730735, 840844	
<b>MCHN 2012</b>	<b>Millwright V – Gear Boxes, Chain and Belt Drives</b>	<b>64</b>
	This course teaches the recognition and application of gearboxes, and it reviews drive installations using chain and belt drives. This course will focus on troubleshooting, repairing and installing gearboxes, chain drives and belt drives. Prerequisites: MCHN-2005, MCHN-2007 Topic 303.1	
<b>INMT 2003</b>	<b>Pumps, Compressors and Mechanical Drives</b>	<b>64</b>
	Students will study the theory and operations of various types of pumps and compressors. Topics include mechanical power transmission systems including gears, v-belts and chain drives. Prerequisites: MCHN-2005, MCHN-2007, MCHN-2012 Required Textbook ISBN: 978-0-88-415525-6	
<b>TOTAL HOURS</b>		<b>256</b>

### MILLWRIGHT V-GEAR BOXES, CHAINS, AND BELT DRIVES – 64 HRS

This course teaches the recognition and application of gearboxes, and it reviews drive installations using chain and belt drives. This course will focus on troubleshooting, repairing and installing gearboxes, chain drives and belt drives. Prerequisites: Basic MMT Certificates

**Cost: \$575**

CID: 163, MCHN-2012	1/12/2022 - 3/9/2022	MW
6:00 PM - 10:00 PM	Industrial Ed. , Bldg. #6	Vance

### PUMPS, COMPRESSORS AND MECHANICAL – 64 HRS

Students will study the theory and operations of various types of pumps and compressors. Topics include mechanical power transmission systems including gears, v-belts, and chain drives. Prerequisites: Basic MMT Certificate

**Cost: \$575**

CID: 164, INMT-2003	3/21/2022 - 5/11/2022	MW
6:00 PM - 10:00 PM	Industrial Ed. , Bldg. #6	Vance

## Mechanical Maintenance Technician, Advanced Occupational Skills Award

### REQUIRED COURSE SEQUENCE

Prerequisites: Basic Mechanical Maintenance Technician OSA  
and Intermediate Mechanical Maintenance Technician OSA  
Textbooks are not included in course cost.

Course #	Title	Hrs
<b>MCHN 2014</b>	<b>Millwright VI – Reciprocating, Centrifugal Compressors and Blowers</b>	<b>64</b>
	This course is a study of the design, operation and	

application of fans, blowers and compressors. Topics will emphasize the relationships and differences between types of pneumatic equipment as well as troubleshooting, repairing and installing fans, blowers and compressors. Required Textbooks ISBN: 978-0-88-415525-6

**MCHN 2016 Millwright VII – Turbines** 64

This course is a study in the operational principles of turbines, the types of turbines and the troubleshooting and repairing of turbine equipment. The course will also review the installation of turbine systems. Prerequisites: MCHN-2014  
Textbook Not Required

**MCHN 2018 Millwright VIII – Alignment and Vibration** 64

This course is an introduction to equipment alignment techniques and procedures. The course will focus on skill development in collinear alignment using both the conventional method of alignment and the reverse dial indicator method. This course will also introduce the student to laser shaft alignment. Prerequisites: MCHN-2014, MCHN-2016  
Required Textbook: Product #730734.1

**TOTAL HOURS** 192

## Manual Machinist Occupational Skills Award

### REQUIRED COURSE SEQUENCE

**Prerequisites:** MMT Basic Occupational Skills Award or approval from the director of CE industrial workforce programs and one year's work experience as a manual machinist.  
Textbooks are not included in course cost.

COM's Manual Machinist Program prepares students for a successful career as a manual machinist creating precision parts using manual lathes and mills. Manual machinists work in fabrication and machine shops supporting the petrochemical, refineries, manufacturing, and aerospace industries.

The need for qualified manual machinists in the Gulf Coast Region is anticipated to grow by 17 percent by 2026. The median hourly wage is \$21.36, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
<b>MCHN-1038</b>	<b>Basic Machine Shop</b>	<b>64</b>
	This course is an introduction to machining fundamentals. Students will use lathes, milling machines, drill presses, power saws and bench grinders. They will learn machine terminology, theory, trade mathematics, part layout and bench work using common measuring tools. They will demonstrate tooling maintenance and material handling, plus perform basic machine shop maintenance while following safety guidelines. Required Textbook ISBN: 978-1-33-779530-2	
<b>MCHN-1013</b>	<b>Basic Milling</b>	<b>64</b>
	This course is an introduction to the common types of milling machines and their basic machines, part nomenclature, and basic machine operations and procedures. Students will identify	

milling machine components and their functions, calculate speeds and feeds, and set up and operate milling machines. They will apply safety, machine mathematics, blueprint reading and theory. Prerequisites: MCHN-1038 Required Textbook ISBN: 9781337795302

**MCHN-1008 Basic Lathe** 64

The course is an introduction to the common types of lathe machines, part terminology, basic machine operations and procedures. Students will identify lathe machine components and their functions, calculate speeds and feeds, set up and operate lathe machines. They will apply safety, machine mathematics, blueprint reading and theory. Prerequisites: MCHN-1038 and MCHN-1013 Required Textbook ISBN: 9781337795302

**MCHN-2041 Advanced Machining** 64

This course is a study of advanced lathe and milling machines operations. The student will learn advanced cutting operations of lathes and milling machines, including the use of special tooling, bench assembly and materials identification. Prerequisites: MCHN-1038, MCHN-1013 and MCHN-1008 Required Textbook ISBN: 9781337795302

**TOTAL HOURS** 256

### BASIC MACHINE SHOP – 64 HRS

This course provides an introduction to machine shop theory, math, terminology, basic bench work and part layout using a variety of tools. It also teaches how and when to use machine tools such as band saws, grinders, drill presses, lathes and mills. Prerequisites: TECM 1001, INMT 1005 and MCHN 1002

**Cost: \$575**

CID: 194, MCHN-1038 1/4/2022 - 2/24/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 017 Faculty

### BASIC MILLING – 64 HRS

This course is an introduction to common types of milling machines, parts nomenclature, basic machine operations and procedures, safety, machine mathematics, blueprint reading, and theory.

**Cost: \$575**

CID: 195, MCHN-1013 3/1/2022 - 4/28/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 017 Faculty

### BASIC LATHE – 64 HRS

The course is an introduction to the common types of lathe machines with an emphasis on machine parts, terminology, basic machine, safety, machine mathematics, blueprint reading and theory. Students will identify types of lathes, lathe components and their functions. They will identify machine accessories, calculate speeds and feeds, set up basic lathe operations and, perform metal removal operations such as turning, facing, drilling, grooving, turning on centers and

**REGISTRATION FOR SPRING 2022  
BEGINS DECEMBER 6, 2021**

threading. They will also perform basic machine and shop maintenance while following safety guidelines.

**Cost: \$575**

CID: 196, MCHN-1008 5/10/2022 - 6/30/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 017 Faculty

### ADVANCED MACHINING I – 64 HRS

Students will study advanced lathe and milling operations. Emphasis on advanced cutting operations of the lathe and milling machines, including the use of special tooling, bench assembly, and material identification.

**Cost: \$575**

CID: 197, MCHN-2041 7/5/2022 - 8/25/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 017 Faculty

## CNC Machinist Occupational Skills Award

### REQUIRED COURSE SEQUENCE

Prerequisites: Manual Machinist OSA or approval from the director of CE industrial workforce programs and two years' work experience as a manual machinist.  
Textbooks are not included in course cost.

COM's CNC Machinist Program prepares students for a successful career creating precision parts using computer numerical controlled (CNC) lathes and mills. CNC machinists work in fabrication and machine shops supporting the petrochemical, refineries, manufacturing, and aerospace industries.

The need for qualified CNC machinists in the Gulf Coast region is expected to grow by 34 percent by 2026, the median hourly wage is \$27.14, with entry level positions starting below that rate (Source: Workforce Solutions, 2019). Financial assistance is available.

Course #	Title	Hrs
<b>MCHN-2003</b>	<b>CNC Programming</b> This course is the study of programming and operation of computer numerical controlled (CNC) machine shop equipment. Students will demonstrate operations of CNC machine controls, compare and contrast the differences between conventional and CNC machines, and use CNC machine applications for machining operations. Required Textbook ISBN: 978-0-83-113347-4	<b>124</b>
<b>MCHN-1026</b>	<b>CAM/Mastercam</b> This course is the study of computer-aided manufacturing (CAM) Mastercam software, which is used to develop applications for manufacturing. It emphasizes tool geometry, tool selection and tool library. Students will create part programs, transfer programs to the machine control unit, and machine parts. Prerequisites: MCHN-2003 Required Textbook ISBN: 978-0-988766-16-4	<b>64</b>
<b>MCHN-2038</b>	<b>CAM Multi-Axis</b> This course covers advanced techniques in computer-aided manufacturing (CAM) software used to develop applications for manufacturing. Students will use the CAM software Mastercam to create multi-axis part programs and transfer programs to the machine control unit.	<b>64</b>

Prerequisites: MCHN-2003 and MCHN-1026  
Required Textbook ISBN: 978-1-92-735979-2

**TOTAL HOURS**

**252**

### CNC PROGRAMMING – 124 HRS

This course is a study of CNC machine controls that utilize the CNC machine application Mastercam for machining operations. Students will compare and contrast the differences between conventional and CNC machines.

**Cost: \$825**

CID: 198, MCHN-2003 1/4/2022 - 4/26/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 012 Faculty

### CAM / MASTERCAM – 64 HRS

A study of Computer-Aided Manufacturing (CAM) systems. Software is used to develop applications for manufacturing. Emphasis on tool geometry, tool selection, and the tool library. Learning Outcomes: demonstrate knowledge of computer-aided manufacturing systems; and create, download, and machine parts using computer-aided manufacturing software.

**Cost: \$575**

CID: 199, MCHN-1026 5/3/2022 - 6/23/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 012 Faculty

### CAM MULTI-AXIS – 64 HRS

This course is the study of advanced techniques in computer-aided manufacturing (CAM) software used to develop applications for manufacturing. Students will use CAM software Mastercam to create multi-axis part programs and transfer programs to the machine control unit.

**Cost: \$575**

CID: 200, MCHN-2038 7/5/2022 - 8/25/2022 TTH  
6:00 PM - 10:00 PM Industrial Ed., Bldg. #6, RM 012 Faculty

## Industrial Pipefitting Occupational Skills Award

### REQUIRED COURSE SEQUENCE

Textbooks are not included in course cost.

COM's NCCER Industrial Pipefitting Program prepares students for a successful career in an entry-level position as a Pipefitter helper often leading into a Pipefitter career. Pipefitters layout, assemble, install, and repair pipelines or pipe systems that carry water, steam, air or other liquids or gases for production and process systems. Careers are available in petrochemical, refineries, manufacturing, utilities and construction.

The need for qualified Pipefitters in the Gulf Coast Region is anticipated to grow by 5-10 percent by 2020-2030. The median hourly wage is \$19.11, with entry level positions starting below that rate (Source: Bureau of Labor Statistics). Financial assistance is available.

## Industrial Pipefitting I Occupational Skills Award

NCCER CORE, NCCER Level 1, NCCER Level 2  
REQUIRED COURSE SEQUENCE

Course #	Title	Hrs
<b>CNBT-1018</b>	<b>Pipefitting – NCCER CORE</b> This course is a comprehensive study of NCCER Core for pipefitting students. This course introduces students to basic job site construction safety in residential, commercial and industrial construction. Students will also learn how to select and demonstrate the proper use of hand tools, portable and stationary power tools, and related construction equipment. Students will obtain their OSHA 10 certification and credentials for NCCER Core. Required Textbook ISBN: 978-0-13-413098-9	<b>64</b>
<b>PFPB-1008</b>	<b>Pipefitting – NCCER Level 1</b> This course is a comprehensive study of NCCER Level 1 for pipefitting. Students will be introduced to the pipefitting trade. They will learn how to use hand tools and power tools associated with pipefitting; identify pipes, pipe fittings, flanges and fasteners; apply mathematical calculations applicable to pipe-fitting installations; identify equipment used in pipefitting such as oxy-fuel cutting, ladders and scaffolds and motorized equipment. Upon completion students will obtain credentials for NCCER Pipefitting Level 1. Prerequisite: CNBT-1018 Required Textbook ISBN: 978-0-13-580941-9	<b>96</b>
<b>PFPB-1043</b>	<b>Pipefitting – NCCER Level 2</b> This course is a comprehensive study of NCCER Level 2 for pipefitting. Students will identify and demonstrate the use of different piping systems. They will install pipe hangers and supports, sketch isometric views of piping assemblies, interpret piping standard and specification, and use measuring devices and pipefitting trade math. Upon completion students will obtain credentials for NCCER Pipefitting Level 2. Prerequisites: CNBT-1018 and PFPB-1008 Required Textbook ISBN: 978-0-13-581811-4	<b>128</b>
<b>TOTAL HOURS</b>		<b>288</b>

### NCCER CORE – PIPEFITTING – 48 HRS

In this course, students will learn about basic job site construction safety in residential, commercial and industrial construction. Students will learn about selection and use of hand tools, portable power and stationary power tools and related construction equipment. At the end of the course, students will be able to demonstrate the safe use of a variety of hand tools, portable and stationary power tools.

**Cost: \$575**

CID: 141, CNBT-1018	1/4/2022 - 2/10/2022	TTH
6:00 PM - 10:00 PM	Industrial Ed., Bldg. #6, RM 005/002	Faculty

### NCCER PIPEFITTING LEVEL II – 128 HRS

This course is a comprehensive study of NCCER Level 2 for pipefitting. Students will identify and demonstrate the use of

different piping systems. They will install pipe hangers and supports, sketch isometric views of piping assemblies, interpret piping standard and specification, and use measuring devices and pipefitting trade math.

**Cost: \$835**

CID:155 PFPB 1043	1/03/22-05/02/22	MW
6:00 PM -10:00 PM	Industrial Ed., Bldg. #6, RM 005	Faculty
CID:140 PFPB 1043	3/22/22-07/07/22	TTH
6:00 PM -10:00 PM	Industrial Ed., Bldg. #6, RM 005	Faculty

## WELDING

### WELDING, MULTIPLE PROCESSES – 112 HRS

Prepare to enter a field with growing opportunities with COM's Welding Technology Program. Area plants are investing billions of dollars in capital improvements, and COM provides training that supports industry demands. Employment can be found in a variety of industrial settings such as the oil and gas industry, energy exploration, power plants and construction. The median hourly wage is \$23.29 with entry-level positions starting below that rate. (Source: Bureau of Labor Statistics 2020) COM's program prepares a student completing the Welding, Multiple Processes class to be hired as a welder SMAW (shielded metal arc welding) helper/tacker. Students completing three classes may be hired as a structural welder (SMAW), while students completing five classes may be hired as a pipe welder (SMAW). The course includes a \$200 lab fee. Not included is approximately \$250 for personal equipment.

**Cost: \$785**

CID: 60, WLDG-1007	1/18/2022 - 3/7/2022	MTWTH
6:00 PM - 10:00 PM	Industrial Ed., Bldg. #6, RM 001	Minix
CID: 61, WLDG-1007	3/21/2022 - 5/5/2022	MTWTH
6:00 PM - 10:00 PM	Industrial Ed., Bldg. #6, RM 001	Minix

# PUBLIC SERVICE CAREERS

## FIRE TECHNOLOGY

### PLAN EXAMINER I – 40 HRS

Internet Course: This course satisfies curriculum and certification requirements for Texas Commission on Fire Protection Plans Examiner I certification. Subjects include curriculum and competencies as set forth in the TCFP Curriculum Manual for Plans Examiner I. Students will be required to attend labs to complete TCFP skills required to be completed in the presence of a field examiner. Labs are TBA and listed in the course schedule. Students successfully completing the course will be eligible to take the certification examination for Code Enforcement Inspector, provided they satisfy TCFP testing requirements. Students are responsible for TCFP testing and certification fees. Contact Danny McLerran for additional information at 409-933-8378 or dmclerran@com.edu.

**Cost: \$195**

CID: 147, FIRT-1002    4/18/2022 - 5/13/2022    INTERNET  
McLerran

### FIRE INSPECTOR I – 90 HRS

Internet Course: FIRT 1008, Fire Inspector I and FIRT 1040, Fire Inspector II satisfy curriculum and certification requirements for Texas Commission on Fire Protection Code Enforcement Inspector (formally Inspector I and II) certification. Students must enroll in both courses to satisfy TCFP requirements for Code Enforcement Inspector. Subjects include curriculum and competencies as set forth in the TCFP Curriculum Manual for Code Enforcement Inspector. Students will be required to attend labs to complete TCFP skills required to be completed in the presence of a field examiner. Labs are TBA and listed in the course schedule. Students successfully completing the course will be eligible to take the certification examination for Code Enforcement Inspector, provided they satisfy TCFP testing requirements. Students are responsible for TCFP testing and certification fees. Contact Danny McLerran for additional information at 409-933-8378 or dmclerran@com.edu.

## SECURITY AND LOSS PREVENTION

### COMMISSIONED SECURITY OFFICER

COM's Commissioned Security Officer Course, which can be completed in about a week, prepares students for a career as a commissioned security officer. Commissioned security officers guard, patrol or monitor premises to prevent theft, violence or infractions of rules. They may operate X-ray and metal detector equipment. They may work in a wide variety of places, including public buildings, retail stores, industrial facilities and office buildings. The median hourly wage in Texas is \$24,680 per year/ \$14.27 per hour. (Source: Bureau of Labor Statistics, 2019)

Course #	Title	Hrs
<b>SLPS 1013</b>	<b>Commissioned Security Officer</b>	<b>32</b>
	This course provides required training to carry firearms for private security employment. Training consists of Texas Commission on Private Security Levels II and III covering the role of the security officer, legal power and authority for arrest, search and use of force, professionalism, leadership, ethical conduct, written documentation, emergency situation conflict resolution and commission rules and regulations. Students must pass written exams and demonstrate proficiency with a handgun and shotgun. Successful completion of the course will provide initial certification through the Texas Private Security Bureau to carry a firearm for private security employment.	
<b>TOTAL HOURS</b>		<b>32</b>

### COMMISSIONED SECURITY OFFICER – 32 HRS

This course provides required training to carry firearms for private security employment. Training consists of TCPS Levels II and III, covering the role of the security officer, legal power and authority for arrest, search and use of force, professionalism, leadership, ethical conduct, written documentation, emergency situation conflict resolution and Commission rules and regulations. Students must pass written exams and demonstrate proficiency with a handgun and shotgun. Successful completion of the course will provide initial certification through the Texas Private Security Bureau to carry a firearm for private security employment responsibility. # GULF COAST SAFETY INSTITUTE

The Center for Risk Management provides safety and health training courses at no charge through a generous grant from the Texas Mutual Insurance Company.

All courses are taught at the Gulf Coast Safety Institute, unless otherwise listed.

Visit <https://www.com.edu/gcsi/center-for-risk-management.html> for the current list of class offerings.

For more information, call 409-933-8365.

## ROOT CAUSE AND JOB SAFETY ANALYSIS – 8 HRS

Root Cause Analysis (RCA) and Job Hazard Analysis (JHA) are foundational safety processes that most organizations perform, but few do with excellence. If your JHAs aren't eliminating incidents and injuries and you are seeing repetitive repeat incidents even after performing RCAs, your processes may be falling short. Learning or revisiting the critical components of the processes can help you determine how well your team is leveraging these important activities. In this class, the student will learn to facilitate and utilize several different root cause analysis techniques, determine and effectively implement corrective actions, recognize hazards and controls for a variety of processes, equipment and jobsites, implement a step-by-step JHA process and alignment with the Safety Management System.

**Cost: FREE**

CID: 48, OSH-1071 1/21/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

## FLEET SAFETY & VEHICLE RISK MITIGATION – 8 HRS

Participants in this course will be able to use the ANSI/ASSE Z15, Safe Practices for Motor Vehicle Operations, to develop a concrete action plan to reduce their drivers' and company's risks, especially pertaining to the risks of non-DOT drivers. This course will also discuss insurance and risk management, driver behavioral motivations, metrics, and partnering with local authorities.

**Cost: FREE**

CID: 49, OSH-1071 2/4/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

## WALKING WORKING SURFACES – 8 HRS

Providing safe walking-working surfaces (WWS) is critical for both general industry and construction work. OSHA's updated rule on Walking-Working Surfaces (29 CFR 1910 Subpart D) not

only aligns the construction and general industry regulations, but also outlines new requirements related to WWS and safe means of accessing these surfaces. Understanding these requirements can have a major impact on maintaining compliance and providing a safe environment for work at heights. The presenter will share the impact of recent changes to the regulations, the differences between the general industry and construction guidelines, as well as, tips on how to incorporate management of WWS into a safety program.

**Cost: FREE**

CID: 50, OSH-1071 2/18/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

## MACHINE GUARDING: THE DO'S AND DON'TS – 8 HRS

Professional Presses. Guillotine cutters. Grinding Wheels. Rotating or reciprocating machinery. These machines are incredibly powerful and dangerous. Machine guarding is #8 on OSHA's top 10 most frequently cited standards violated in FY 2018 with over 1,700 violations. Injuries and amputations from machine guarding incidents can total as much as \$133,000 per incident. In this course you will learn to identify potential hazards in your workplace that require machine safeguarding and ensure they adhere to OSHA regulations.

**Cost: FREE**

CID: 51, OSH-1071 3/4/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

## LOCK-OUT/TAG-OUT (LOTO) – 8 HRS

This Lock-Out/Tag-Out (LOTO) class is designed to help the worker and the employer understand what the definition of LOTO is and the procedures to address hazardous energy in the workplace as per OSHA. It will also address some of the components for the company to consider when setting up LOTO procedures, or the individual to consider before starting a project. By the end of the class, the student will be able to identify some of the hazards seen in the workplace, as well as, the procedures that should be used for those hazards, and

the risks associated with not using proper LOTO procedures. The class will include class discussion and hands-on exercises.

**Cost: FREE**

CID: 52, OSHT-1071 3/25/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

### IMPROVING YOUR RESPIRATORY PROTECTION PROGRAM – 8 HRS

In 2020 Respiratory Protection was the third most cited OSHA violation. Respiratory protection has remained in the top 5 most cited violations for more than 10 years. Respiratory protection programs are a critical part of your safety management program and involve more than just buying respirators and making them available to your workforce. This class will cover the requirements of the OSHA standard, establishing and maintaining a respiratory protection program, how to develop your respirator cartridge change-out schedule, and identify the typical pitfalls that could result in an OSHA citation.

**Cost: FREE**

CID: 53, OSHT-1071 4/8/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

### EYE & FACE PROTECTION – 8 HRS

According to the OSHA overview page on eye and face protection, thousands of employees are blinded each year from work-related injuries that could have been prevented with the proper selection and use of eye and face protection. This standard 1st showed on OSHA's Top 10 list in 2018 in 10th place. In 2020 it moved up to #9. Interestingly, the 1st American Standard Safety Code was approved in 1921 and covered the protection of the heads and eyes of industrial workers. Today many of the Eye and Face Protection violations were the result of employers not enforcing the use of appropriate eye or face protection when employees were exposed to hazards. In this class, we'll cover both the Personal Protective Equipment and the Eye and Face Protection standards for both General Industry and Construction to identify the risks and ways to protect your employees.

**Cost: FREE**

CID: 57, OSHT-1071 4/22/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

### HEAT ILLNESS PROTECTION – 8 HRS

This class is designed to help employers and workers assess heat stress hazards and establish an effective heat-illness prevention program. Understanding the six critical factors associated with heat stress is essential in the prevention of heat-related illnesses and fatalities. In this class we will cover risk factors for heat stress, how the body handles heat, heat-related illnesses, common prevention strategies, how to conduct a heat hazard assessment, implementing effective controls, training workers, preparing for medical emergencies and conducting incident investigations. Various types of heat stress monitors and heat-illness prevention devices will be demonstrated.

**Cost: FREE**

CID: 58, OSHT-1071 5/6/2022 F  
8:00 AM - 5:00 PM Gulf Coast Safety Institute, RM 112 Faculty

### OSHA'S TOP 10: #1 FALL PROTECTION – 8 HRS

Again, Fall Protection has taken the top spot on OSHA's Top 10 list with over 7,000 violations cited. Falls remain the leading cause of death in the construction industry. Many have implemented additional training for site employees on fall protection use – but the numbers aren't changing quickly enough. If training is not the answer – what is? Learning how to minimize the risk of dangerous or fatal fall hazards allows an organization to take a proactive approach. This workshop provides an overview of: Effective fall protection programs, strategies for identifying/evaluating/controlling fall hazards, background on current standards, regulations, statistics & trends, all critical elements of a fall protection program, general information about fall protection equipment including equipment components, system development, anchorages, and clearance requirements. All information presented will be in accordance with the ANSI Z359 family of fall protection standards.

**Cost: FREE**

## MESSAGE FROM THE MANAGER

Welcome to the COM Lifelong Learning Program! At the end of 2021, we will be moving the Lifelong Learning Center to its new home at the Mainland City Centre. When we come back from winter break, we look forward to serving you at our new location which will house educational classrooms, a computer lab, a kiln room, a fitness room, and a dance studio.

The Lifelong Learning program provides a variety of educational opportunities for adults within our community.

### Community Education

Non-credit, fee-based personal development classes and workshops available to the entire community.

- Class/workshop fees are based upon content and costs
- Classes range from two hours to several weeks depending on topic
- Classes held primarily during weeknight evenings and Saturdays

### 50 Plus

Classes that are specifically designed to engage and serve the 50+ community.

- Class fees range from \$30-\$45 per semester for adults ages 50+
- Classes are 2-3 hours each week
- Classes held during daytime hours (8am-5pm)
- Classes include hobby level instruction

### Trip/Travel Adventures

Day/Evening outings as well as extended travel opportunities for students to explore education through trips and travel.

- Trip and Travel fees vary depending on location
- Day and evening educational outings offered to increase student appreciation of different arts and cultures
- Extended travel opportunities available annually to explore both the US and abroad

Please mark your calendar for these important dates:

<b>Dec. 6, 2021</b>	First day of Registration for Spring 2022
<b>Jan. 24, 2022</b>	Classes begin
<b>Mar. 14-20, 2022</b>	College closed for Spring Break Holiday
<b>Apr. 15-17, 2022</b>	College closed for Spring Holiday

## LIFELONG LEARNING OFFICE HOURS

**MONDAY – FRIDAY**

**8 a.m. – 5 p.m.**

**For more information, call 409-933-8461.**

We are also available and happy to speak to local groups or organizations about our program.

There are a variety of ways to get involved with lifelong learning! We hope to see you this semester!

**Lisa Renfroe**  
Program Manager  
Lifelong Learning

### LIFELONG LEARNING PROGRAM VISION

The College of the Mainland Lifelong Learning Program will be respected regionally and nationally for excellence in the development and delivery of innovative educational opportunities for adults.

### LIFELONG LEARNING PROGRAM MISSION

The College of the Mainland Lifelong Learning Program's mission is to provide educational opportunities for adult students by offering personal enrichment classes in a positive, accepting, and intergenerational environment. The Lifelong Learning Program staff collaborates with academic departments and the community to develop programs that meet society's existing and emerging educational needs.

### REGISTRATION FOR LIFELONG LEARNING PROGRAMS

Students may register:

1. **In person:** Please register at the Lifelong Learning office.
2. **By phone:** Please call 409-933-8461 and leave a message. Calls will be returned in the order received each day so please be available for the call back in order to retain your spot in line.
3. **Online:** Go to [com.edu/lifelonglearning/](http://com.edu/lifelonglearning/) to register (registration will no longer take place through Webadvisor).

### CANCELLATION OF CLASSES

If the college cancels a class, an automatic 100 percent refund of tuition and fees is initiated. To drop a class, you must notify the Lifelong Learning Office 409-933-8226 no later than one business day prior to the class start date to receive a refund.

### WAITING LISTS

Want to attend a class that is full? Contact the Lifelong Learning Program Office at 409-933-8461 to join a waiting list.

### HANDICAPPED-ACCESSIBLE PARKING

Need a handicapped-parking permit? Contact campus police at 409-933-8403.

### COURTESY RIDE

Need a ride from COM's parking lot to any building on main campus? Call campus police at 409-933-8403. A police officer or employee will pick you up and take you to the building.

### HOURS FOR LIFELONG LEARNING

Monday – Friday 8 a.m. – 5 p.m. (Hours vary when classes are in session.)

### OTHER FACILITY HOURS

- **COM Cosmetology Lab**  
Call 409-933-8480 to make an appointment.  
Open Thursday and Friday 8:30 a.m. – 5 p.m.
- **Innovations Lab, TVB-1324**  
Call 409-933-8370  
Open Monday – Thursday 7 a.m. – 7 p.m.
- **Library**  
Call 409-933-8448  
Open Monday – Thursday 8 a.m. – 9 p.m.  
Present an ID at the library circulation desk to obtain a library card at no cost.

### LIFELONG LEARNING REFUND POLICIES

#### 50 Plus Refund Policy

50 Plus classes will be 100 percent refunded if cancelled before the first day of class. Refund requests may be made in person at the Lifelong Learning office or by phone at 409-933-8461. Refund requests must be received during normal business hours at least one business day prior to the calendar start date of the class.

#### Community Education Refund Policy

Community Education classes/workshops will be 100 percent refunded if a student cancels by the registration deadline. Refund requests may be made in person at the Lifelong Learning office or by phone at 409-933-8461. Refund requests must be received during normal business hours.

#### Trip Refund Policy

Tickets are pre-purchased for trip events; therefore, they are non-transferable and non-refundable.

# LIFELONG LEARNING PROGRAM

## COMMUNITY EDUCATION COURSES

*For ages 18+*

### AT SWORD'S POINT: AN INTRO TO FENCING (FOIL) – 12 HRS

This class offers you an introduction to the sport of fencing - including origins of the sport, fundamentals of footwork and bladework, fencer safety, and the tactics and psychology of the game. The class is broken into three parts: footwork drills; bladework drills; and open fencing (students fence each other). By the end of the class you should possess the fundamental skills of an entry level fencer suitable for a local novice tournament, as well as an appreciation and insight into the game. Registration Deadline: 3/29/22

**Cost: \$79**

CID: 35-LLPEX-6053	3/26/2022-5/7/2022	S
10:00 AM - 12:00 PM	Lifelong Learning 104	John Trojanowski

### COM COMMUNITY JAZZ ENSEMBLE – 24 HRS

This course is open to anyone owning an instrument (class limited to 5 saxophones, 5 trombones, 5 trumpets, piano, guitar, bass and drums) that has some knowledge of reading jazz ensemble music and wishes to participate in a jazz ensemble. This is not a beginner band and one may need to audition. The music performed by the Jazz Ensemble will be that of Count Basie, Duke Ellington, Stan Kenton, Bob Mintzer, and others. Various styles of Jazz music will be performed, including swing, Latin, ensemble, ballads, and contemporary jazz.

**Cost: \$86.00**

CID: 65-MUSIL-2005	1/25/2022 - 4/19/2022	T
7:30 PM - 9:30 PM	Fine Arts - Bldg. #3 117	Sparky Koerner

### CREATIVE CUPCAKE BOUQUETS FOR EFFORTLESS ENTERTAINING – 3 HRS

Transform ordinary cupcakes into memorable floral bouquets for your next gathering. You will learn how to frost, decorate, and then arrange your own take home bouquet worthy of any dessert gallery! (No baking involved in the workshop.) Registration Deadline: 3/29/22

**Cost: \$39.00**

CID: 40-LLPEX-6032	4/12/2022	T
6:00 PM - 9:00 PM	Lifelong Learning 118	Debie Seyfang

### FOR THE LOVE OF BEER: AN INTRO TO CRAFT BEER – 6 HRS

This course aims to introduce you to craft beer styles, pairing food and beers, and how to make quality beer at home. In the first session, we will discuss grains and how they are used to achieve specific beer styles, along with a presentation highlighting beer making techniques. You will also get a hands-on look at the following publications, How to Brew by John Palmer and Simple Homebrewing by Drew Beechum and Denny Conn...and a whole lot more! For the second session, we will meet at Galveston Island Brewing for a tour and tasting. Must be 21 years of age to register. Registration Deadline: 3/15/22

**Cost: \$65.00**

CID: 37-LLPEX-6034	3/29/2022-4/2/2022	T
5:30 PM - 8:30 PM	Lifelong Learning 119	Christopher Hall
CID: 37-LLPEX-6034	3/29/2022-4/2/2022	S
12:00 PM - 3:00 PM	Galveston Island Brewing	Christopher Hall

### FROM TOBACCO TO CIGAR – 2 HRS

Join us at the El Cubano Cigar Factory to learn about the history of cigars, including how tobacco is grown and the process of making it into cigars. We will explore different cigar types, as well as food/drinks that are best paired with a good cigar. We will finish up with a cigar rolling demonstration and then you will receive your own cigar to enjoy at home. Must be 21 years of age to register. Registration Deadline: 3/23/22

**Cost: \$55.00**

CID: 39-LLPEX-6056	4/6/2022	Wed
6:00 PM - 8:00 PM	El Cubano Cigar Factory Lounge	Manny Lopez

### FUSED GLASS – CREATE YOUR OWN BOWL – 3 HRS

In this fun workshop, you will create a fused glass bowl. You choose the colors! You choose the bowl style! This class is designed especially for people with no previous glass experience and the instructor will teach you simple techniques you can use in creating your own design. Please wear closed-toed shoes. Supplies are included in fee. Registration Deadline: 2/10/22

**Cost: \$65.00**

CID: 81-LLPEX-6067	2/24/2022	TH
6:00 PM - 9:00 PM	Lifelong Learning 117	Deborah Deats

### FUSED GLASS – DESIGN YOUR OWN NIGHT LIGHTS – 3 HRS

In this fun workshop, you will design two nightlights – keep them for yourself or give one as a gift! Fused glass nightlights are like having a little piece of art to brighten your room, plus help you safely walk around in the dark! You can pick the colors and add-ons for your design. Perhaps your design will be a palm tree, Easter egg, baseball, or an abstract. Please wear closed-toed shoes. Supplies are included in fee. Registration Deadline: 2/4/22

**Cost: \$49.00**

CID: 80-LLPEX-6066	2/12/2022	S
1:00 PM - 4:00 PM	Lifelong Learning 117	Deborah Deats

**INTRODUCTION TO VOICEOVERS – 1 HR**

"Wow, you have a great voice!" How many times have you heard that? Or maybe you listen to your favorite audiobooks, commercials, or cartoon characters and think, "I could do that!" Explore the voiceover industry with your instructor, a professional, working voice actor from Voices For All. Discover current trends in the industry and how they make it easy and affordable for just about anyone to get involved. You'll learn about different types of voiceovers and the tools you'll need to find success. Your instructor will take notes as you read a real script in this one-on-one video chat setting and offer some coaching to improve your delivery. You'll receive a professional voiceover evaluation later. One-time, 90-minute, introductory class. Learn more at <http://www.voicesforall.com/ooo>. 18 and over. You owe it to yourself to finally explore the possibilities of this fun and rewarding field! There is no set time for this course. Instructor will schedule directly with the student.

**Cost: \$49.00**

This class includes an introduction to keyboarding, email and Facebook. The only supplies you need will be a USB flash/jump drive each class.

**Cost: \$30.00**

CID: 1-SENR-7011	1/25/2022-4/19/2022	T
8:30 AM - 10:30 AM	Lifelong Learning 115	Mishelene Baker

**CREATIVE GREETING CARDS – 24 HRS**

Discover new ways to make your own greeting cards using alcohol inks, vinyl, watercolor paint, and white pen on dark paper. You will get to cut out shapes using a die-cutting machine, design pop-up, pull tab, and spinner cards, and use stamps and create your own stamping platform. Lots of fun and creative ideas to be shared! Required supplies included in online syllabus (estimated cost \$20-\$100).

**Cost: \$30.00**

CID: 44-SENR-7020	1/26/2022-4/20/2022	W
1:00 PM - 3:00 PM	Lifelong Learning 119	Myrle Waller

**CRICUT – 36 HRS**

If you consider yourself a crafter, then you could definitely benefit from using a Cricut! Learn how to make personal t-shirts, signs, stencils, etch on glass, picture frames, boxes, luminaries, and so much more using a Cricut personal die-cutting machine. This course will start out with basic instructions of machine mechanics and then proceed to Cricut Design Space. You must have a laptop or tablet to access internet and download the Design Space program. You may bring a personal Cricut machine to class, but it is not required. Required supplies included in online syllabus (estimated cost \$25).

**Cost: \$45.00**

CID: 42-SENR-7101	1/26/2022-4/20/2022	W
9:00 AM - 12:00 PM	Lifelong Learning 119	Myrle Waller

**CRICUT (ONLINE) – 24 HRS**

If you consider yourself a crafter, then you could definitely benefit from using a Cricut! Learn how to make personal t-shirts, signs, stencils, etch on glass, picture frames, boxes, luminaries, and so much more using a Cricut personal die-cutting machine. This course will start out with basic instructions of machine mechanics and then proceed to Cricut Design Space. You will need your own Cricut machine, plus a laptop or tablet to access internet and download the Design Space program. Class is held through Microsoft Teams. Required supplies included in online syllabus (estimated cost \$25).

**Cost: \$30.00**

CID: 43-SENR-7101	1/25/2022-4/19/2022	T
10:00 AM - 12:00 PM	Internet	Graciela Garza

**DRAWING BASICS – 24 HRS**

This course is focused on the fundamentals of drawing using observation and build drawing techniques. You will learn to develop a visual language using lines, forms and depth. The course will progress from basic black and white forms to rendering images with shading and colors. Required supplies included in online syllabus (estimated cost \$100).

**Cost: \$30.00**

CID: 2-SENR-6007	1/25/2022-4/19/2022	T
9:00 AM - 11:00 AM	Lifelong Learning 119	Gloria Bertrams

**EMBROIDERY AND CROCHET – 24 HRS**

Create beautiful artwork using needle and thread or hook and yarn! You may choose to learn the art of Brazilian embroidery or crochet in this class. Brazilian Embroidery is a three-dimensional embroidery using caston bullions and other commonly used embroidery stitches, but with rayon thread. In crochet work, a hook is used to make up a pattern of looped and interlinked chains of yarn. Required supplies included in online syllabus (estimated cost \$25-\$30).

**Cost: \$30.00**

CID: 33-SENR-7046	1/27/2022-4/21/2022	TH
1:00 PM - 3:00 PM	Lifelong Learning 119	Charlyn Walker

**FUSED GLASS – 36 HRS**

At its simplest, glass fusing is a process in which formulated compatible COE 96 glass is assembled and then melted/fused together in a kiln. This course will introduce you to fused glass concepts and techniques. You will gain knowledge in the basic steps required to make colorful creations by cutting, stacking, and melting together pieces of transparent and opalescent colored glass. Projects include various styles of pendants, yard art, wired bugs, a wind chime, and a bowl. You will need your own tools.

**Cost: \$120.00**

CID: 32-SENR-7017	1/24/2022-4/18/2022	M
9:00 AM - 12:00 PM	Lifelong Learning 117	Deborah Deats

**KEEP IT SIMPLE – LIVING A HEALTHY LIFE – 24 HRS**

Students will learn about the benefits of a healthy lifestyle, eating fresh foods, and incorporating super foods into their diet. This class will include information on whole foods and a plant-based diet.

**Cost: \$30.00**

CID: 31-SENR-7102	1/26/2022-4/20/2022	W
1:00 PM - 3:00 PM	Lifelong Learning 117	Sharon Mitchiner

**MICROSOFT FOR BEGINNERS – 24 HRS**

Have you just learned how to use your computer and now want to explore the Microsoft software on it? In this class you will learn about Microsoft Word, PowerPoint, Excel, and Outlook, including the basics of each application and the features needed for projects appropriate for the software platform. Additionally, we will also cover the use of the internet for business and internet safety.

**Cost: \$30.00**

CID: 2029-SENR-7116	1/25/2022-4/19/2022	T
10:45 AM - 12:45 PM	Lifelong Learning 115	Mishelene Baker

**MOSAICS – 36 HRS**

Learn from an award-winning mosaic artist how to make modern mosaics! The first day of class will be an introduction to the art and instructions on basic tools you'll need to purchase. By the end of the semester, you can expect to have at least one completed mosaic project. Required supplies included in online syllabus (estimated cost \$100-\$110).

**Cost: \$45.00**

CID: 28-SENR-7131	1/27/2022-4/21/2022	TH
9:00 AM - 12:00 PM	Lifelong Learning 117	Michele Patrick

**MOSAICS, NON-TRADITIONAL – 24 HRS**

This course differs from traditional mosaic art, in that you will master the skills for creating mosaics that incorporate the use of materials such as beads, seashells, and paper! The first day of class will be an introduction to the art and instructions on basic tools you'll need to purchase. By the end of the semester, you can expect to have completed several mosaic projects. Required supplies included in online syllabus (estimated cost \$100).

**Cost: \$30.00**

CID: 26-SENR-7141	1/27/2022-4/21/2022	TH
12:30 PM - 2:30 PM	Lifelong Learning 117	Michele Patrick

**PAINTING WITH ACRYLICS – 24 HRS**

This beginner class provides the basics of using acrylic paints and the techniques needed to create finished artwork. Different acrylic mediums and styles will be introduced as well. You will have the opportunity to paint various subjects that will incorporate the techniques learned. Required supplies included in online syllabus (estimated cost \$40-\$75).

**Cost: \$30.00**

CID: 22-SENR-7037	1/24/2022-4/18/2022	M
1:30 PM - 3:30 PM	Lifelong Learning 118	Deborah Brady

**PAINTING WITH OILS – 36 HRS**

Learn from the techniques of the great masters - exploring color and using light and shadow to create drama. This beginner course teaches how to hold a brush, mix paint and use glasses, while starting with a limited paint pallet and expanding as the class progresses. Required supplies included in online syllabus (estimated cost \$120).

**Cost: \$45.00**

CID: 24-SENR-7038	1/25/2022-4/19/2022	T
9:00 AM - 12:00 PM	Lifelong Learning 118	David Wheeler

**REGISTRATION FOR SPRING 2022  
BEGINS DECEMBER 6, 2021**

**PAINTING WITH WATERCOLORS – 36 HRS**

Never taken a watercolor painting class or even handled a paint brush before? Then this is a great class for you to enjoy exploring watercolor's complexities while learning how to deal confidently with washes and color mixing. You will discover your hidden potential while learning the fundamentals of this art form! Required supplies included in online syllabus (estimated cost \$200).

**Cost: \$45.00**

CID: 23-SENR-7089	1/26/2022-4/20/2022	W
9:00 AM - 12:00 PM	Lifelong Learning 117	Lee Johnson

**PAINTING, ABSTRACT – 36 HRS**

What is abstract art? Why is abstract art? Abstract is not just throwing paint randomly onto a canvas. Come learn the rules of abstract art. Learn objective versus non-objective. Learn what freeing yourself can do for all of your artwork endeavors. Painting with Acrylics class or some painting experience is a recommended pre-requisite. Required supplies included in online syllabus (estimated cost \$50).

**Cost: \$45.00**

CID: 21-SENR-7103	1/27/2022-4/21/2022	TH
1:00 PM - 4:00 PM	Lifelong Learning 118	Deborah Brady

**PAINTING, COLLAGE – 36 HRS**

Collage is a mixed media created through assemblage, using various materials. You do not have to be an artist to enjoy creating a collage masterpiece! Artwork will be assembled on Masonite boards or cradled boards. Required supplies included in online syllabus (estimated cost \$25).

**Cost: \$45.00**

CID: 25-SENR-7068	1/24/2022-4/18/2022	M
9:30 AM - 12:30 PM	Lifelong Learning 118	Deborah Brady

**PHOTOGRAPHY AS A HOBBY – 24 HRS**

Whether your desire is to photograph your family, vacations, or the world around you, this course will introduce you to basic photography skills and camera features that will significantly improve your photographs. While a digital single lens reflecting camera is recommended, whichever camera you have is perfect. You must bring your own camera.

**Cost: \$30.00**

CID: 19-SENR-7049	1/24/2022-4/18/2022	M
9:00 AM - 11:00 AM	Lifelong Learning 115	Trudy LeDoux

**PHOTOSHOP – 24 HRS**

This course will introduce you to the complexity of Photoshop and simplify the process of using this photo manipulation application. You will be introduced to Photoshop's interface while learning basic editing tools from corrections to exposure, adjustments, and cropping. Furthermore, you will have the opportunity to use edits like text, layers and combining photographs. Intermediate level computer skills are required for this class.

**Cost: \$30.00**

CID: 18-SENR-7115	1/24/2022-4/18/2022	M
12:00 PM - 2:00 PM	Lifelong Learning 115	Trudy LeDoux

**QUILTING – 36 HRS**

Quilting symbolizes family and heritage, the joining of the past with the present. In this class, you can learn how to create your own quilt, or even expand your existing quilting skills, by working on a project of your own choice. The class will cover quilting basics such as choosing fabrics, rotary cutting, piecing, basting, quilting, and binding. Required supplies included in online syllabus (estimated cost \$75-\$350).

**Cost: \$45.00**

CID: 13-SENR-7119	1/25/2022-4/19/2022	T
1:00 PM - 4:00 PM	Lifelong Learning 120	Elsa Tutt

**SALTWATER FISHING – 24 HRS**

No matter if you are a novice or experienced fishing enthusiast this course will teach you how to catch fish. You will discover secrets, tricks and hacks that will build your confidence to fish anywhere. We will cover the proper tackle and bait to use for different saltwater environments (surf, pier, wade, jetty) as well as techniques for casting, fighting, landing, and cleaning fish. Learn what to have in your tackle box and how to maintain your fishing gear, plus the rules and regulations of fishing in Texas. Course also includes field fishing trips to Galveston and the Texas City Dike for additional fees. Course prerequisite: Valid Texas fishing license for saltwater fishing. Required supplies in online syllabus (estimated cost \$35-\$100).

**Cost: \$30.00**

CID: 46-SENR-7138	1/24/2022-4/18/2022	M
9:00 AM - 11:00 AM	Lifelong Learning 119	Thomas La Santa

**SPANISH – 24 HRS**

¿Quiere aprender el español? Well, come join this class! You will obtain a working knowledge of conversational beginning to intermediate Spanish including common vocabulary, phrases, parts of speech, and sentence construction. The last class will be a conversational class at a local Spanish-speaking restaurant for an additional fee.

**Cost: \$30.00**

CID: 11-SENR-7015	1/24/2022-4/18/2022	M
12:00 PM - 2:00 PM	Lifelong Learning 119	AJ Galdamez

**STAINED GLASS – 24 HRS**

Come learn the art of stained glass! You will learn to construct a panel from start to finish with the Copper Foil technique which will provide the basis to building additional panels. A small panel will be the class project. Required supplies included in online syllabus (estimated cost \$150-\$300).

**Cost: \$30.00**

CID: 10-SENR-7003	1/25/2022-4/19/2022	T
9:30 AM - 11:30 AM	Lifelong Learning 117	Patricia Stettler

**STAINED GLASS, LEAD CAME – 36 HRS**

If you have experience with glass cutting and now want to learn the lead came method of stained glass, then this class is for you! Lead came is the material that holds separate pieces of glass together in an h-shaped channel so that the pieces of glass slide into either side. The comes are then soldered together at the seams to lend strength to the piece of art. This is the method used when creating large works of glass art, like windows. As the semester progresses, you will have the opportunity to assemble your own panel. Required supplies included in online syllabus (estimated cost \$75-\$100).

**Cost: \$45.00**

CID: 9-SENR-7044	1/25/2022-4/19/2022	T
1:00 PM - 4:00 PM	Lifelong Learning 117	Patricia Stettler

**WOODWORKING – 36 HRS**

If you like working with your hands, woodworking may be a great hobby for you! During the course of the semester, you will learn and develop basic woodworking skills all while making your very own project. Discussions will include wood and tool terminology, layout techniques, joinery, and finishes. Proper tool selection, sharpening, and project layout will be taught, with proper technique and safety in mind at all times. Required supplies included in online syllabus (estimated cost \$200).

**Cost: \$45.00**

CID: 5-SENR-7094	1/27/2022-4/21/2022	TH
9:00 AM - 12:00 PM	Lifelong Learning 120	Richard Goodheart

## 50 PLUS EXERCISE CLASSES

**BALANCE TRAINING – 30 HRS**

Reduce your fear of falling and increase your activity level with this class, which focuses on the exercises that improve balance and coordination. Instructor will use lecture, discussion, and videos to support the training. You will learn to perform safe stretching, balance, aerobic and strengthening exercises that will gradually tone muscles, core and increase endurance over time. A chair will be used for support as needed and modifications will be given if needed.

**Cost: \$30.00**

CID: 17-SENR-7124	1/25/2022-5/12/2022	TTH
11:00 AM - 12:00 PM	Lifelong Learning 104	Patricia Trevisani

**LINE DANCING – 30 HRS**

Line dancing involves performing patterned foot movements in a line in unison to music. Line dancing not only blends exercise and recreation, but it is also a fun way to meet new people and

experience personal satisfaction from accomplishments. This class is for those who have never had a line dancing class. You must wear footwear that slides and swivels easily and does not stick to the floor. No partner is needed.

**Cost: \$30.00**

CID: 30-SENR-7006	1/25/2022-5/12/2022	TTH
4:00 PM - 5:00 PM	Lifelong Learning 107	Sheila Gerhardt

**PILATES – 30 HRS**

Pilates strengthens the muscles that support the spine (the neck, shoulders, abs, hips and thighs) to bring balance into the body. Most body aches and pains are due to muscular imbalance. Pilates helps to realign the spine to decrease tension, increase flexibility and strengthen the body from the inside out. To maximize the benefit of this class, you should be able to exercise on the floor using mats provided. You will be shown modifications for all exercises but will be encouraged to challenge yourself as the semester progresses.

**Cost: \$30.00**

CID: 16-SENR-7075	1/25/2022-5/12/2022	TTH
4:00 PM - 5:00 PM	Lifelong Learning 104	Sharon Deshotel

**PILATES, WEIGHTS, AND DRUMS – 30 HRS**

Get three different exercises in just one class! You will perform different exercises each day to help strengthen and tone different areas of your body: Pilates, resistance bands, balls, hand weights, and drumming on the Pilate balls with drumsticks. Modifications will be included for all exercises, but you will be encouraged to challenge yourself as the semester progresses.

**Cost: \$30.00**

CID: 14-SENR-7113	1/25/2022-5/12/2022	TTH
9:30 AM - 10:30 AM	Lifelong Learning 104	Patricia Trevisani

**PILATES/YOGA (MIX) – 30 HRS**

Join us for Yoga and Pilates exercises with motivating music to stretch, tone and strengthen your entire body. The exercises will be performed both standing and on the floor.

**Cost: \$30.00**

CID: 15-SENR-7080	1/24/2022-5/11/2022	MW
8:15 AM - 9:15 AM	Lifelong Learning 104	AJ Galdamez

**SIT-N-FIT – 30 HRS**

This is a structured exercise program for anyone needing slow gentle movement and may also help to improve the quality of life of physically limited individuals through safe, effective exercises. Using chair exercises set to music, you will tone muscles and increase endurance.

**Cost: \$30.00**

CID: 12-SENR-7002	1/24/2022-5/11/2022	MW
11:00 AM - 12:00 PM	Lifelong Learning 104	Patricia Trevisani

**TAEKWONDO – 30 HRS**

Taekwondo is a martial arts program designed to help you with balance and memory. We will discuss the history of TKD and then you will learn various forms and techniques. As we progress, you will have the option to test for martial art belts. Certificates are issued by the instructor for the testing, so

you are only responsible for purchasing the appropriate belt if desired.

**Cost: \$30.00**

CID: 8-SENR-7136	1/24/2022-5/11/2022	MW
8:15 AM - 9:15 AM	Lifelong Learning 107	Cathy Henson

**TOTAL BODY FITNESS – 30 HRS**

Reap cardiovascular and strength benefits while doing fun, slightly intense exercises! We will learn to properly and safely stretch, warm up, and perform abdominal, upper-body and lower-body exercises. You are encouraged to wear comfortable workout clothes and tennis shoes and bring a water bottle and hand towel.

**Cost: \$30.00**

CID: 7-SENR-7070	1/24/2022-5/11/2022	MW
9:30 AM - 10:30 AM	Lifelong Learning 104	AJ Galdamez

**TOTAL BODY FITNESS (ONLINE) – 30 HRS**

Reap cardiovascular and strength benefits while doing fun, slightly intense exercises! We will learn to properly and safely stretch, warm up, and perform abdominal, upper-body and lower-body exercises. You are encouraged to wear comfortable workout clothes and tennis shoes and bring a water bottle and hand towel. This class will be held on Microsoft Teams.

**Cost: \$30.00**

CID: 6-SENR-7070	1/25/2022-5/12/2022	TTH
8:00 AM - 9:00 AM	Internet	AJ Galdamez

**YOGA AND STRESS REDUCTION – 30 HRS**

Come experience how the art of slow, measured movements can help develop strong muscles, agility and flexibility, which can reduce the effects of the aging process. And through the art of breathing, relaxation and self-awareness, you will experience increased energy levels and decreased aches and pains. Required Supplies - towel or blanket for lying down on floor during exercise.

**Cost: \$30.00**

10:45 AM - 11:45 AM	Lifelong Learning 107	AJ Galdamez

**ZUMBA – 30 HRS**

Zumba incorporates a variety of Latin-inspired dance moves to create a one-of-a-kind fitness program that will tone and sculpt your body while burning unwanted fat through aerobic exercise. Come join in the fun!

**Cost: \$30.00**

CID: 3-SENR-7077	1/25/2022-5/12/2022	TTH
8:30 AM - 9:30 AM	Lifelong Learning 107	Rubia Jiron

## TRIP/TRAVEL ADVENTURES

**For adults 18+**

**PLEASE NOTE:**

Trip cost includes transportation and admission ticket. Trip tickets have been pre-purchased; therefore, they are non-transferable and non-refundable. Students will meet in the Lifelong Learning Center lobby for all trips.

Prior to registering for a trip, please consider that there are certain COVID protocols in place at many venues and although College of the Mainland does not require face coverings or proof of negative COVID test or vaccination, we must comply with the trip venue protocols.

**A DAY AT BUFFALO BAYOU – 9 HRS**

The day will start with a guided tour of The Buffalo Bayou Park Cistern which a former is drinking water reservoir built in 1926 for the City of Houston. In 2010, the City of Houston was sourcing vendors to demolish the Cistern. Buffalo Bayou Partnership with the City of Houston worked to take over development and maintenance of the space. BBP restored and repurposed the Cistern into a magnificent public space to house an ambitious program of changing art installations. Next stop, the Buffalo Bayou Partnership's pontoon tour boat, Spirit of the Bayou. We will take a private charter tour through the heart of downtown along historic Buffalo Bayou past Allen's Landing, Sesquicentennial Park and Sabine Promenade, historic McKee Street Bridge, and the industrial side of the city. A buy-your-own lunch will be scheduled mid-day.

**Cost: \$75.00**

CID: 69-SENR-9001	5/4/2022	W
8:00 AM - 5:00 PM		

**ARETHA: QUEEN OF SOUL (HOUSTON SYMPHONY) – 7 HRS**

Aretha Franklin captured our hearts with her powerhouse voice and soulful refrains about love, pain, and triumph. Capathia Jenkins, Ryan Shaw, and the Symphony hail the Queen of Soul who demanded the world's R-E-S-P-E-C-T, performing showstoppers like "Chain of Fools," "You Make Me Feel Like A Natural Woman," and "Respect." A buy-your-own dinner will precede the show.

**Cost: \$69.00**

CID: 68-SENR-9001	4/23/2022	S
4:00 PM - 11:00 PM		

**BIRDWATCHING IN GALVESTON – 9 HRS**

Travel to Galveston Island to see migrant traps and migrating shorebirds and songbirds. Students should wear comfortable clothes, hiking or closed-toed shoes and be prepared to walk in grassy, brushy areas. Students are encouraged to bring bottled water, snacks, binoculars and a camera. Students may buy lunch at a local restaurant.

**Cost: \$40.00**

### **HAMILTON (BROADWAY ACROSS AMERICA) – 6 HRS**

The story of America then, told by America now. HAMILTON is the story of America then, told by America now. Featuring a score that blends hip-hop, jazz, R&B and Broadway, HAMILTON has taken the story of American founding father Alexander Hamilton and created a revolutionary moment in theatre—a musical that has had a profound impact on culture, politics, and education. With book, music, and lyrics by Lin-Manuel Miranda, direction by Thomas Kail, choreography by Andy Blankenbuehler, and musical supervision and orchestrations by Alex Lacamoire, HAMILTON is based on Ron Chernow's acclaimed biography. It has won Tony®, Grammy®, and Olivier Awards, the Pulitzer Prize for Drama, and an unprecedented special citation from the Kennedy Center Honors. A buy-your-own dinner will precede the show.

**Cost: \$169.00**

CID: 56-SENRT-9001 3/3/2022  
4:00 PM - 10:00 PM

TH

### **JERSEY BOYS (THEATRE UNDER THE STARS) – 7 HRS**

THE BEHIND-THE-SCENES BROADWAY HIT MUSICAL ABOUT FRANKIE VALLI & THE FOUR SEASONS! They were just four guys from Jersey, until they sang their very first note. They had a sound nobody had ever heard... and the radio just couldn't get enough of. But while their harmonies were perfect on stage, off stage it was a very different story — a story that has made them an international sensation all over again. Go behind the music and inside the story of Frankie Valli and The Four Seasons in the Tony and Grammy Award®-winning true-life musical phenomenon, JERSEY BOYS. From the streets of New Jersey to the Rock and Roll Hall of Fame, this is the musical that's just too good to be true. FEATURING THE LEGENDARY TOP TEN HITS: "Sherry" • "Big Girls Don't Cry" • "Walk Like A Man" • "Can't Take My Eyes Off You" • "December, 1963 (Oh What A Night)".

A buy-your-own dinner will precede the show.

**Cost: \$89.00**

CID: 70-SENRT-9001 5/12/2022  
10:00 AM - 5:00 PM

TH

### **SCHULENBURG PAINTED CHURCHES – 12 HRS**

Schulenburg, Texas is called a "railroad town", "halfway to everywhere", the "musician town", "home of the painted churches", "gateway to the rolling hills" and many others. The Painted Churches are located in the communities of Dubina, High Hill, Praha, and Ammannsville. They appear unassuming as you approach them, but as you enter the front doors prepare to have your breath taken away by the incredible beauty found inside. A buy-your-own lunch will be scheduled mid-day.

**Cost: \$69.00**

CID: 67-SENRT-9001 4/2/2022  
6:00 AM - 6:00 PM

S

### **SENSE & SENSIBILITY (ALLEY THEATRE) – 7 HRS**

A playful new adaptation of Jane Austen's beloved novel follows the fortunes (and misfortunes) of the Dashwood sisters—

sensible Elinor and sensitive Marianne—after their father's sudden death leaves them financially destitute and socially vulnerable. Set in gossipy late 18th-century England with a fresh new adaptation, the play is full of humor, emotional depth, and bold theatricality. Sense and Sensibility examines our reactions, both reasonable and ridiculous, to societal pressures. When reputation is everything, how do you follow your heart? A buy-your-own lunch will precede the show.

**Cost: \$49.00**

CID: 66-SENRT-9001 3/26/2022  
10:30 AM - 5:30 PM

S

### **SOUND OF A GENERATION (HOUSTON SYMPHONY) – 7 HRS**

Classic rock's biggest hits come alive in this symphonic tribute to songs of The Doobie Brothers, Fleetwood Mac, Styx, and more. From "Listen to the Music" and "Black Water" to "Come Sail Away" and "Don't Stop Thinking About Tomorrow," these are the songs you know by heart, and the songs you'll be singing all the way home! A buy-your-own dinner will precede the show.

**Cost: \$59.00**

CID: 54-SENRT-9001 2/5/2022  
4:00 PM - 11:00 PM

S

### **SOUTH PACIFIC (THEATRE UNDER THE STARS) – 7 HRS**

More timely than ever, this Rodgers and Hammerstein landmark musical proves that even the backdrop of a tropical paradise cannot shelter its residents from the prejudices of World War II. South Pacific is the winner of the 1950 Pulitzer Prize for Drama and 10 Tony Awards®, including Best Musical. Set in an island paradise during World War II, two parallel love stories are threatened by the dangers of prejudice and war. Nellie, a spunky nurse from Arkansas, falls in love with a mature French planter, Emile. Nellie learns that the mother of his children was an island native and, unable to turn her back on the prejudices with which she was raised, refuses Emile's proposal of marriage. Meanwhile, the strapping Lt. Joe Cable denies himself the fulfillment of a future with an innocent Tonkinese girl with whom he's fallen in love out of the same fears that haunt Nellie. When Emile is recruited to accompany Joe on a dangerous mission that claims Joe's life, Nellie realizes that life is too short not to seize her own chance for happiness, thus confronting and conquering her prejudices. A buy-your-own dinner will precede the show.

**Cost: \$89.00**

# PARKING PERMITS ARE MANDATORY

Parking permits are available in the Administration Building (Bldg #2), Admissions and Records office at no cost. To expedite the process of obtaining a parking permit, students should visit WebAdvisor and enter their vehicle information before going to the Admissions and Records office. Students will need to provide the staff with only their student ID number and will then be issued a parking permit.

**Learn how to obtain a temporary or permanent permit for your vehicle at [www.com.edu/campus-police/temporary-parking-permit](http://www.com.edu/campus-police/temporary-parking-permit) or contact the Admissions and Records office at 409-933-8663.**

# COLLEGE OF THE MAINLAND

## COLLEGE MISSION

College of the Mainland is a learning-centered, comprehensive community college dedicated to student success and the intellectual and economic prosperity of the diverse communities we serve.

## COLLEGE VISION

College of the Mainland will be a valued and vital community partner by striving to enrich our expanding community and preparing our students to learn, work and live in a diverse, dynamic and global environment.

## COLLEGE OF THE MAINLAND BOARD OF TRUSTEES

Dr. William (Bill) McGarvey, Board Chair, Alan Waters, Vice-Chair, Melissa Skipworth, Secretary, Kyle Dickson, Dawn King, Dr. Verna Henson and Donald G. Gartman.

## ACCREDITATION

College of the Mainland is accredited by: The Commission on Colleges of the Southern Association of Colleges and Schools to award associate degrees and certificates. Contact the Commission on Colleges at 1866 Southern Ln., Decatur, GA 30033-4097 or call 404-679-4500 for questions about the accreditation of College of the Mainland. The Commission is to be contacted only if there is evidence that appears to support the institution's significant non-compliance with a requirement or standard.

## DISCLAIMER STATEMENT

College of the Mainland reserves the right to withdraw a student due to any inability to maintain the prescribed rate of progress or for behavior detrimental to the learning process of the student or class. College of the Mainland also reserves the right to make changes in regulations, courses, fees and other matters of policy and procedure when deemed necessary. These provisions are not to be regarded as an irrevocable contract between the student and the college.

## NONDISCRIMINATION STATEMENT

College of the Mainland is an equal opportunity/affirmative action educational institution and employer. The College District prohibits discrimination, including harassment, against any individual(s) on the basis of race, color, religion, national origin, age, veteran status, disability, sex, sexual orientation, gender, to include gender identity and gender expression, or any other basis prohibited by law. Retaliation against anyone involved in the complaint process is a violation of College District policy.

Further, as a recipient of Federal financial assistance, College of the Mainland prohibits discrimination against any beneficiary of, applicant to, or participant

in programs financially assisted under Title I of the Workforce Innovation and Opportunity Act, on the basis of the individual's citizenship status or participation in any WIOA Title I—financially assisted program or activity.

Inquiries concerning application of Title IX of the Education Amendments of 1972, as amended, may be referred to the College's Title IX Coordinator or the U.S. Department of Education's Office of Civil Rights. The College District designates the following persons to coordinate its efforts to comply with Title IX of Education Amendments: Dr. Sarah David, Title IX Coordinator, at [sdavid3@com.edu](mailto:sdavid3@com.edu), 1200 N. Amburn Road, Texas City, Texas 77591, 409-933-8413.

## PUBLIC INFORMATION STATEMENT

College of the Mainland offers credit academic and vocational programs published in the current college catalog. Admission into these programs is based on graduation from an accredited high school, a GED certificate or individual approval. It is the policy of College of the Mainland not to discriminate on the basis of sex, handicap, race, color, age or national origin in its education and vocational programs, activities or employment as required by Title IX, section 504 and Title VI. College of the Mainland will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. For more information about your rights or grievance procedures, contact the Vice President for Instruction, 1200 N. Amburn Road, Texas City, TX 77591-2499, or call 409-933-8229, (local) or 1-888-258-8859, ext. 8229. College of the Mainland is an equal opportunity/affirmative action educational institution and does not discriminate on the basis of race, sex, age, religion, veteran status or national origin.

## DECLARACIÓN E INFORMACIÓN PÚBLICA

El College of the Mainland ofrece programas vocacionales y académicos publicados en el presente catalogo. La admisión a estos programas se efectúa a base de la graduación de una escuela secundaria acreditada o por medio de un certificado de GED o aprobación individual. Es la política del College of the Mainland no discriminar a base de sexo, desventaja física, raza, color, edad u origen nacional en sus programas educativos y vocacionales, ni en las actividades y el empleo, de acuerdo con los requisitos del Título IX, Sección 504, y del Título VI. El College of the Mainland tomará medidas para asegurar que el desconocimiento del idioma inglés no sea obstáculo a la admisión y participación en todos los programas educativos y vocacionales.
