

### Bridgett Morales, Safety Consultant

For nearly 25 years, Bridgett Morales has held various roles in the Safety and Environmental field. She has served as an instructor with the Houston Area Safety Council, Safety Director and in 2013 she and her partners started their own company. She served as the Executive Vice President and Managing Partner, providing Safety and Environmental consulting and field services.

As a business owner, she wore many hats which include leading their award-winning Safety Department, Training & Development of their workforce, Marketing, Client Retention and more. In 2020, they sold their company and since then, Bridgett has been working as an independent Safety Consultant. She has presented at multiple conferences including: The ISA LDAR Symposium, Texas Safety Association (TSA), South Texas Area Facilitators (STAF) and Texas Chemical Conference (TCC).
