

Live Oak Safety
Featured speaker: Norman M. Stuart III

Mr. Stuart has worked in Safety & Risk Management for the past 31 years, the last 20 of those as the Risk Manager for the City of Friendswood. In 2002 he graduated from San Jacinto Community College with an A.A.S. in Occupational Health and Safety Technology. In addition to working full-time, in 2006 Mr. Stuart started his own safety training and supply company, Live Oak Safety. After the birth of his son he returned to college while concurrently working full-time and running his business. In 2011 he graduated Summa Cum Laude from Columbia Southern University with a B.S. in Occupational Safety & Health. Never wishing to be idle for long he is currently working on a Master's degree in Public Administration. Mr. Stuart is a Licensed Workers Compensation adjustor in the great State of Texas. Authorized through UT Arlington as an OSHA 10-30 Hour Instructor Construction Safety and Health, Basic Life Support (BLS) Instructor, under the American Trauma Event Management system and the American Red Cross. He is also an active part of the City of Friendswood's emergency management team and has a Professional Development Series (PDS) Certificate from the Federal Emergency Management Agency (FEMA). In addition to his responsibilities to the City of Friendswood, Live Oak Safety, and his family, Mr. Stuart is a Community Emergency Response Team (CERT) member, and active in the following organizations.

- ASSE- American Society of Safety Engineers
- PRMA - Public Risk Management Association
- SHRM - Society for Human Resource Management
- Gulf Coast Safety Institute - Advisory Board Chairperson
- RIMS- Risk Management Society
- Knight of Columbus, Council 8494
